G.O. No. 857, Educational, dated 5th December 1911.

ABSTRACT.—Directing the publication in the *Fort St. George Gazette* of certain alterations in the rules regarding the award of scholarships in the College of Engineering.

II

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 10th May 1912.

No.—C. 5886 of 1911.

With reference to G.O. No. 857, Educational, dated 5th December 1911, sanctioning revised rules 50 and 55 of the College of Engineering, I have the honour to state that the Principal reports that the provisos to these rules have specific reference to the scholarships mentioned in rules 51 and 56 only, that other scholarships are from time to time held by students and that at present there are—

(a) in the Engineer class—

1. One Hyderabad Government scholar.
2. One Cochin Government scholar.
3. Two Ceylon Government scholars.
4. One Bowen Memorial scholar.
5. One Coorg scholar.

(b) in the Upper Subordinate class—

One Mangalore Jubilee scholar.

(c) in the Lower Subordinate class—

Two Mangalore Jubilee scholars.

I agree with the Principal in thinking that the rules consequently require further modifications, as the Government have accepted the principle that Government scholarships should not be awarded to students who already hold any other scholarship and as questions bearing on the point are likely to arise at the beginning of the next session. I beg to submit herewith a draft of the alterations and additions that are necessary in the rules for favour of approval and publication in the *Fort St. George Gazette*.

NOTES CONNECTED WITH G.O. No. 507, EDUCATIONAL, DATED
11TH JUNE 1912.

[SUBJECT.—*Alterations in and additions to the rules of the College of Engineering.*]

From the Director of Public Instruction, dated 10th May 1912, No. 5886.

The draft rules proposed by the Director of Public Instruction seem to be acceptable except in regard to the proviso shown as belonging to rule 51. It cannot be taken to belong to rule 51 for the reasons—

(i) that it will be unnecessary as none of the scholarships mentioned in them are awarded by the college authorities;

(ii) that as rule 51 deals with scholarships for students of the engineer class, the proposed proviso cannot have reference to the scholarships under rule 56, which are awarded to students of the upper subordinate class. Under no circumstances can a student holding one of the scholarships mentioned in rule 56 become eligible for one of the scholarships mentioned in rule 51.

This proviso *apparently belongs to rule 55*, and is obviously intended to be substituted for the proviso to that rule approved in G.O. No. 857, Educational, dated 5th December 1911. The Director of Public Instruction may be asked u.o. to state whether this surmise is correct.

T.K.—25-5-12.

C. RAMANUJACHARI—25-5-12.

Yes: the slight verbal change from "the scholarship" to "one of the scholarships" is necessary, now that rule 56 mentions other scholarships.
