READ—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 22nd March 1912.

No.—Ref. on Cur. 2124.

As the sanction accorded in G.O. No. 130, Educational, dated 3rd March 1911, to the retention of the mason employed in the Reformatory School, Chingleput, expires with the 31st instant, I have the honour to request that you will be so good as to obtain the sanction of Government (1) for the inclusion of masonry as a permanent industrial subject in the school curriculum, (2) of the addition of the post of mason to the permanent establishment with retrospective effect from 6th December 1906, the date of commencement of the mason, and (3) for raising the pay of the post from Rs. 25 to Rs. 25—1—30 with effect from 1st April next.

2. The class was started in December 1906 under the sanction conveyed in G.O. No. 602, Educational, dated 13th September 1906, and the Superintendent states that since then the boys particularly of the Odda class have taken readily to mason's work and that their work has progressed satisfactorily as indicated by the results of the annual examinations conducted by the Sub-Divisional Officer, Public Works Department. He recommends, therefore, that the post be added to the permanent establishment of the school and that the pay thereof be fixed at Rs. 25—1—30.

I support the Superintendent's recommendations for the reason that the class has stood the test of a five years' trial and that the scale of pay proposed for the mason is the same as that already sanctioned for the blacksmith instructor.

3. As sanction to the retention of the class expires with the 31st instant, I request the favour of early orders on this communication.

Memorandum No. 930-2, Educational, dated 25th April 1912.

With reference to his letter Ref. on Cur. No. 2124, dated 22nd March 1912, the Director of Public Instruction is requested to state whether there are any special reasons for making the post of mason in the Reformatory School permanent with retrospective effect from the 6th December 1906.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 10th May 1912.

No.—Ref. on Cur. 2124.

With reference to Government Memorandum No. 930-2, Educational, dated 25th April 1912, I have the honour to state that the Superintendent, Reformatory School, Chingleput, reports that the mason instructor has worked very hard for the past five years and has been well reported on year after year by the officers of the Public Works Department who have inspected the classes. Being now 34 years old the instructor will also be in a position to earn a higher pension if his past good work is recognized as it deserves to be.

Order—No. 512, Educational, dated 12th June 1912.

The proposals of the Director of Public Instruction are approved with the remark that, under articles 370 and 201 of the Civil Service Regulations, the mason will without special sanction count his temporary service for pension and leave.

2. This sanction has been registered as No. 40 of 1912-13.

NOTES CONNECTED WITH G.O. No. 512, EDUCATIONAL, DATED
12TH JUNE 1912.

[SUBJECT.—*Permanent retention of the mason on Rs. 20 employed in the Reformatory school, Chingleput.*]

From the Director of Public Instruction, No. 2124, dated 22nd March 1912.

In G.O. No. 602, Educational, dated 13th September 1906, the Government sanctioned the employment of a mason on Rs. 25 *per mensem* in the Reformatory school, Chingleput, for a period of six months, in the first instance. The retention of the mason up to 31st March 1912 was sanctioned from time to time in the following Government Orders:—

G.O. No. 188,	Educational,	dated 2nd April 1907.
" 185	" "	" 13th March 1908.
" 130	" "	" 8th " 1909.
" 109	" "	" 7th " 1910.
" 130	" "	" 3rd " 1911.

2. The Director of Public Instruction now solicits sanction to—

- (1) the inclusion of masonry as a permanent industrial subject in the school curriculum;
- (2) the addition of the post of mason to the permanent establishment with retrospective effect from 6th December 1906;
- (3) the enhancement of the pay of the post from Rs. 25 to Rs. 25—1—30 with effect from 1st April 1912.

3. The subjects in which instruction is now given in the school are given in rule 26 (i) of the Reformatory school rules on page 5 of G.O. No. 158, Educational, dated 20th March 1907; and under rule 26 (ii) of those rules "with the sanction of Government, instruction in any of the above subjects may be discontinued or instruction in any additional industrial subject may be introduced." In submitting his proposals for the employment of a mason as a temporary measure in 1906 and for the introduction of masonry as a subject taught in the Reformatory school, Dr. Bourne

one and eminently calculated to provide honest employment for a number of discharged pupils. The experiment has been tried for more than five years. Judged by the remarks of the Sub-Divisional Officer, Public Works Department, who examined the

observed that the discharged pupils of the Reformatory school, who had learnt it, would more easily settle down to pursue it than any other trade and that he considered the proposal a thoroughly practical class during the last two years, the teaching of masonry may be said to have been a success on the whole. In the circumstances the Government may approve the inclusion of masonry as a permanent industrial subject in the school curriculum.

Paragraph 2 of Director of Public Instruction's letter on page 1 of G.O. No. 188, Educational, dated 2nd April 1907.

The object of the proposal is obviously to enable the present incumbent of the post count the service in the temporary posts also for pension. This is already permissible under article 370 of the Civil Service Regulations. In any case, there seems to be no harm in approving the proposal.

C. RAMANUJACHARI—29-3-12.

L. DAVIDSON—30-3-12.

5. As regards the raising of the pay of the mason from Rs. 25 to Rs. 25—1—30 *per mensem*, it will be observed that the pay originally proposed by the Director of Public Instruction in 1906 was Rupees 20 *per mensem*. The Chief Engineer (Mr. J. P. Davidson) then remarked that a good mason could earn from As. 12 to As. 14 a day in most places, and the pay proposed, namely, Rs. 20, was not enough to get a good man. The Government accordingly fixed his pay at Rs. 25 *per mensem*. Taking the daily wages of a good mason to be As. 12 to As. 14 the pay of Rs. 25—1—30 *per mensem* now proposed by the Director of Public Instruction does not appear to be too high. Submitted that the Director of Public Instruction's recommendation may be accepted.

3. Item (b).—Although as noted by Educational the incumbent will not be entitled to any special concession as regards pension if the post is made permanent with effect from 6th December 1906, there will be some concession in the matter of leave and furlough with reference to articles 242 and 336-8 of the Civil Service Regulations. The arrangement proposed by the Director of Public Instruction, viz., to make the

post permanent with retrospective effect covering a long period of more than five years, is an unusual one, and the Director of Public Instruction has not adduced any special reasons in support of it. It is, therefore, submitted that, before accepting the proposal, this department may request Educational to ascertain from the Director of Public Instruction whether there are any circumstances necessitating the present case being treated as a special one.

4. Since the proposal involves the creation of a permanent appointment, the sanction may be registered as No. 40 of Rule 9 of the rules regulating inter-departmental references. 1912-13, and the Educational department may be requested to add a sentence to this effect to the orders to be issued on this case.

C. REILLY—15-4-12.

The mason will obtain a prospect of increased pay, and it hardly seems necessary to turn his previous service, which was certainly not intended at the time to be pensionable, into qualifying service. Unless Educational has strong reasons, I think proposal (b) must be negated.

EDUCATIONAL DEPARTMENT.

The Director of Public Instruction may be requested, as desired by Financial, to state whether there are any special reasons for making the post of the mason permanent with retrospective effect from 6th December 1906.

[Memorandum No. 930-2, Educational, dated 25th April 1912.]

From the Director of Public Instruction, dated 10th May 1912, No. 2124.

Please see the Director of Public Instruction's letter. The reasons given by him in support of his proposal to make the post of the mason permanent with effect from 6th December 1906 do not appear to be strong; and unless there are strong reasons Financial would negative the proposal.

2. It is for consideration whether this proposal may be negated. The attention of the Director of Public Instruction may perhaps be drawn to the provisions of article 370 of the Civil Service Regulations.

P.R.—23-5-12.

The Director of Public Instruction seems to support his proposal for retrospective sanction mainly on the desirability of securing a higher rate of pension to the mason, and not on that of securing for him privileges in the matter of leave and furlough. If his attention were drawn to the provisions of article 370 of the Civil Service Regulations, which confers the privilege of pension already on the mason, he may perhaps be satisfied, though retrospective effect might not be given to the order. Please see addition made to the draft in pencil. If approved, it may be forwarded to Financial for acceptance.

It is much regretted that the provisions of article 201, Civil Service Regulations, were overlooked in the first instance.

C.P.K.—5-6-12.

It is for orders whether the attention of the Director of Public Instruction may be invited to those rulings, and the present incumbent of the post permitted to enjoy the privileges conferred by them in view of the recommendation made by the Director of Public Instruction.
