3.

Code to be paid on submission of the necessary vouchers by the Correspondents concerned before 1st March 1913.

2. I do not recommend a grant towards the purchase of the 'New Popular Encyclopaedia and certain books specified in the application for grant for the V.R. High School, Nellore, nor for the purchase of the reversible desks and the periodicals specified in the application of the Rajah's High School, Ettiyapuram. As the Correspondent of the High school, Tirukkattupalli represented that the work tables and other articles necessary for practical work in Chemistry were urgently required he was permitted to purchase them without prejudice to the question of grant. The application for grant for the B.G.M. High School, Palghat includes a sum of Rs. 450 towards the cost of fitting up water pipes and pump for the science laboratory. I recommend that a half grant may be allowed for this item also. The other articles specified in the applications seem unobjectionable.

3. The above grants, if sanctioned, can be met from the current year's budget provision for "Grants for Furniture, Apparatus and other special objects".

4. It is requested that the enclosures may be returned when no longer required.

I have the honour to be,

Sir,

Your most obedient servant,

R. G. Arne.
