(1) V. That representations be made to the authorities concerned to
with-hold the proposal to convert the Uriya Training school, at Ber-
hampore into a purely Telugu Institution, which, if given effect to,
will cause serious inconvenience to the Uriya teachers and conse-
quently retard the spread of general education among the Uriyas.

(2) VI. That this conference feel that Uriyas labour under a serious
disadvantage owing to the non-recognition of their language for the
✓ Bidyan Title examination of the Madras University which recognises
all other vernaculars of the Presidency and accordingly pray to the
authorities concerned for the inclusion of the same.

(3) VII. That suitable measures be adopted for the spread among
Uriyas of female education on which depends to a large extent their
advancement as a nation.

(4) VIII. That this conference resolve to petition the authorities con-
cerned for the establishment of a High School at Russelkonda, the
head-quarters of the Gumsur Division.

NOTES.

C. No. 513 From the Public Dept. No. , dated 29.4.1912.

SUBJECT.

Resolutions passed at the eighth sitting of the Utkal Union Conference, Berhampore on the 6th and 7th April 1912.

The first resolution urges that Govt should withhold the proposal to convert the Uriya Training school at Berhampore into a purely Telugu institution. In connection with certain memorials on the subject received from Berhampore and other places, the memorialists have recently been informed that the Berhampore Training school will, for the present, be continued as a Uriya institution. No further action appears to be necessary ^{in respect of} this resolution.

2. The second resolution relates to the non-recognition of Uriya as one of the languages for the Vidwan title examination of the University. Submitted that this is a matter for consideration by the Senate of the University in the first instance. In this connection attention is solicited to G.O. No. 278 Sd. of 23rd May 1910 in which the Honble Sri Madana Mohana Sinha Deva Janu Zamindar

Laminar of Tharakota was informed that he should address the University regarding his suggestion that Uriya should be included in the list of vernaculars, ~~mentioned in the University regulations relating to the institution of an exami-~~ nation for titles in oriental learning.

3. The third resolution urges that measures should be adopted for the spread among Uriyas of female education. In connection with the ten years' programme for the improvement of female education called for from the D.P.S., the Director has been requested to consider, among other matters, the question of the establishment of a high school for girls at Ganjam. A copy of the present resolution may be communicated to the D.P.S.

4. As regards the fourth resolution which relates to the establishment of a high school at Russelkonda a memorial on the subject has already been received from the Secretary, Uriya Samaj, Ganjam and

and the memorial has been referred to the D.P.I. for remarks.

5. Submitted that a copy of the resolutions may be ^{more} communicated to the D.P.I. The draft below is for approval.

A | Did the Director of Dhankota get any satisfaction out of the University? It is all very well to say that the matter is no for the University, but the plan would be ~~not~~ accepted if Tamil were at stake & if the University Regulations cause legitimate discontent the University is after all the creation of Govt. Does Orissa suffer from any disabilities at the Calcutta University?

B | Is the Ganjam high school to teach in Orissa & Telugu or only Telugu?
The Orissas as said to be 7/10 of the population of Ganjam & if so their wants should be provided for to no disabilities imposed.

With reference to the query at A on the previous page it is submitted that there is no information in the office as to whether the Honble the Zamindar of Tharakota addressed the University on the subject of the recognition of Uriya as one of the vernaculars for the Oriental Lites examination. It does not appear that Uriya suffers under any special disability at the Balentta University. It holds the same position as the other vernacular languages recognized by that University for the various examinations. But it is observed that, in the Balentta University, there is no equivalent to the Madras Oriental Lites examination.

2. With reference to the query at B on the previous page it is not clear to what school the Secretary refers. There is
(i) a Municipal High School at Chica-Cole which is to be taken over under Govt management in connection with the model high school scheme. This school is situated in the Telugu portion

portion of the District and is mainly

(ii) the Board Uriya incomplete
secondary school at Russelkonda
which, the Uriyas pray, should
be converted into a complete
secondary school. This request
was made by the Uriyas in 1909
and they were then informed that
owing to the difficulty of getting
qualified Uriya teachers their
request could not be complied with.
The Uriya Samaj, Ganjam, recently
repeated this request and their
petition was referred to the
S.P.I. for remarks. His reply
has just been received. He
states that the question of
converting the school into
a complete secondary school
should lie over pending final
orders on the model school
scheme.

I do not see why the Government should do more than record the resolutions of the "Utkal Union Conference"

Questions and resolutions in the Leg. Council was met all such cases.

2. The Training School resolution has been attended to or rather the matter has, apart from the resolution

3. As to the Oriental Titles Examination surely these people should move the University in the first place and then appeal if necessary, on a clear issue, to Government

4. The advance of female education and the institution of a High School for Wives are both matters they can take up for themselves and if they do and perhaps if they ~~also~~ do not they will receive all possible assistance from the Department and from Government
