From

P.P. Braithwaite,

Inspector of Schools (on leave),

Madras Presidency.

Sir,

I have the honour to make an application that my name may be considered for the vacancy which, I believe, occurs in July on the staff of the Mayo College, Ajmere. Although -- transfers to that branch of our service from Madras in particular have not been common in the past, yet men on the lists of Bombay, Punjab and the United Provinces have been and are transferred to and from the Chief's Colleges; and such transfers are recognized on the ground that for the Chiefs' Colleges special qualifications are required.

2. I joined the Indian Educational service in Madras in 1903; have about 8½ years active service, am 31 years old and am drawing when in India Rs.800 per mensem. For the first 1½ years I was employed as Vice-Principal in the Government Training -- ~~xxxxxx~~ College, Saidapet, Madras. I then acted for one year as Inspector of European and Training Schools and have been since 1906 in charge of the West Coast Circle as an ordinary Inspector

of

of Schools. While in Madras I passed in Tamil and after being posted to Malabar I passed Malayalam Compulsory, and High Proficiency, took up Sanskrit in March 1911 and am still studying it. So far as the language question ^{goes} therefore I do not anticipate any special difficulty in picking up the necessary languages for Ajmer; indeed I believe that a knowledge of Sanskrit (which I fully intend pursuing further) will be of considerable use to me anywhere in India.

3. I believe that for work in Chiefs' Colleges athletic qualifications are also considered necessary, so that it may not be considered out of place if I mention that I represented Cambridge at Association football for four years and at boxing. In cricket, Tennis and hockey I played for Caius College and since coming out to India I have played for Madras Presidency at Cricket and Madras at football and hockey. Since my transfer to Malabar, I have not had so many opportunities but have kept up games and taken some interest in the Southern Provinces Mounted Rifles in which I hold a commission.

4. I put forward these matters with all diffidence merely detailing them in order to explain why I consider I have special qualifications for work at the Chiefs' Colleges.

5. I make the application on the understanding that such a transfer does not affect a man's previous service, his present pay, and his pension prospects. There is no appointment in the Mayo College on a scale less than the grade (Rs.500-1000) in which I am now.

6. ^{At present} I have taken 1½ years furlough from January 1912 but am quite willing to give up a good deal of it if I may join at Ajmer. I heard that the vacancy will occur in July - it would hardly be possible for me to hear in time to join in July, but I am ready to start as soon as I am asked to do so. It would suit my plans best if I might start in September (thereby giving up one-half of my furlough) and trust that this would not be considered too late. If it is necessary that a man should join without delay I am ready to do so.

With the hope that my application may be favourably considered,

I have the honour to be, Sir,
Your most obedient servant,
P.P. Braithwaite,
Inspector of Schools (on leave)
