2. In 1909 the Govt. of India forwarded to this Govt. 35 copies of the v volume of the report on the "Training of Secondary Teachers" - in the United Kingdom, Prussia & America, and in Bombay. These Copies were subsequently returned to the Superintendent, Govt. Printing, India, who asked for their return - vide letter No. 284 R dt 12-8-09. When the S.G.P., India, asked for the return of the Copies he promised to supply corrected Copies in lieu. The S.G.P. has not yet supplied the Copies. He may now be asked when they may be expected.

1. Were the 3 missing copies found subsequently and returned?

2. It is 2 1/2 years since the other copies were returned and it is probable that revised copies might have been supplied - Further search should be made for them.

3. Memo put up a copy of the report No 6

from 8/3/12

1. The three missing copies were not subsequently found.

2. A careful search has been made in this office as well as in the Secretariat Library for a copy of Report No. 5. But not a single copy is available. The fact that copies of the other reports are available either in the library or in this office and that copies of this report alone are ~~are~~ wanting goes to prove that the revised copies were not supplied by the S.G.P., India, as promised. The search is being continued as directed by the Under Secretary.

3. A copy of report No. 6 is put up.

PP What is the result of the further search please?
