From (Name) The Hon'ble Mr. A. G. Bourne, B.Sc., F.R.S., C.I.E.,

(Designation) Director of Public Instruction,

M a d r a s.

To The Secretary to the Government of Madras,

Educational ~~Local and Municipal~~ Department.
Through the Accountant-General.

Sir,

M.R.Ry. T. Ekambaram, sub pro tem Assistant Professor, Presidency College, was permitted to undergo training in the Teachers' College, Saidapet, for a period of one year from the date of its referring ^{open} in July 1911 after the summer vacation of last year, and with the concurrence of the Accountant-General, the Hon'ble Mr. Stone (as acting Director of Public Instruction) sanctioned, under G.O., No. 1, Edl., dated 3rd January 1910, an allowance of Rs.50/- per mensem to the teacher while under training. The Accountant-General now considers, however, that M.R.Ry. T. Ekambaram was not eligible for the concession admissible

admissible under the G.O. quoted above and cannot be regarded as a student not in Government Service, because he held a sub pro tem appointment at the time of his deputation for training and there was no interval between the date of his relief from the Presidency College and that of his joining the Teachers' College. The Accountant-General states, further, that the sanction of the Local Government is necessary under articles 68 A of the Civil Service Regulations for permitting M.R.Ry. T. Ekambaram to draw an allowance of Rs.50/- per mensem during the period of his training and I have the honour to request that, in these circumstances, such sanction may be accorded by Government.

2. I may mention that Ekambaram had no lien during his training course on his previous appointment in the Presidency College, and has at present neither a substantive nor an acting appointment in the Department though it is intended to re-employ him in Botany department of the Presidency College on his passing the late L.T., degree examination.

I have the honour to be,

S i r,

Your most obedient servant,

Forwarded.

M.R.Ry.T.Ekambaram ^{held} had no substantive appointment under Government at the time of his deputation to the Teacher's College Saidapet for training. As, however, he held a sub-pro-tem appointment on Rs.100/ in the Presidency College at the time of his deputation, and as there was no interval between the date of his relief in the Presidency College and that of his joining the Teacher's College, he cannot be regarded as a student who was not in Government service, at the time of his selection for training. The grant of the allowance in this case is not therefore within the powers delegated to the Director of Public Instruction in G.O.No.1 Educational, dated 3rd January 1910, but requires the sanction of the Local Government under article 68 (A) of the Civil Service Regulations.

After the summer vacation of the year 1911 both the Presidency College and the Teachers' College reopened on 16th July 1911. It would seem that Ekambaram joined the Presidency College on the day of reopening so as to draw his salary in the College up to that date; and then got himself relieved from the College on the same day and joined the Teachers' College. The A.G.'s objection is mainly based on the want of interval between the date of Ekambaram's relief in the Presidency College and that of his joining in the Teachers' College. To make this point clear the D.P.D. may be requested to report the date up to which Ekambaram remained on the staff of the Presidency College and also the date from which he began to draw his allowance in the Teachers' College.

Submitted that this seems unnecessary.
CR The D.P.D. says he had no leave during training.

The A.G.'s contention is not clear. It does not seem to be material at all whether a student was a Govt. servant or not at the time of his selection for training. The point for consideration seems only to be whether

he was a foot servant ~~at~~ during the period of training. The wording of G.O. No.

1. Dated 3rd January 1910 does not appear to support the A.G.'s contention on his

point. The D.P.I. clearly says that the student in question "had no lien during "his training course". This ~~should~~ ^{should} be, it is submitted, naturally be sufficient to prove that he was not a foot servant while undergoing training.

[It cannot be said that he was a foot servant. Even should it be held that he was one, the D.P.I. has the power to sanction the allowance.]

2. It is not also clear why any interval ~~imposed~~ between the date of relief in the Presidency College and the date of joining the Teachers' College is necessary to bring the case within the sanctioning power of the D.P.I. The C.A.R. do not appear to lay down any such rule.

3. It is for consideration whether the A.G. may be consulted for further elucidation.

It will be simpler to sanction under C.A.R. 68A. The technical points are not worth arguing.
