Letter—from the Hon'ble Mr A. G. BOURNE, D.Sc., F.R.S., C.I.E. Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 31st May 1912.

No.—Ref. on Cur. 417/11.

With reference to paragraph 2 of G.O. Press No. 257, Educational, dated 20th March 1912, I have the honour to state that the Superintendent of Industrial Education reports that he has considered the question of temporary accommodation, but that he is unable to give a detailed estimate for the same as it is purely a matter of cartage and erection, things which are usually allowed for in a lump sum. Mr. Chatterton merely proposed in October last to re-erect a few of the existing sheds in the present institute on the new site. Mr. Tressler requests that a sum of Rs. 1,500 may be allowed for doing this. In addition to this expenditure it is reported that it is necessary to provide the new site with a water-supply and to raise the general level of the ground, and Mr. Tressler accordingly adds to his estimate a sum of Rs. 2,000 for constructing a new well and Rs. 1,500 for levelling the site or such portion of the site as there may be material available for. A further sum of Rs. 1,000 is asked for by Mr. Tressler for the diversion of the channel running through the plot and for cutting a drain round the site to carry off the surplus water from the adjoining paddy fields. He requests therefore that a total sum of Rs. 6,000 may be placed at his disposal for the purposes above mentioned.

2. Mr. Tressler has also applied for orders regarding the disposal of the present site—vide paragraph 2 of his letter No. 96-G., dated 30th December 1911, submitted to Government with this office No. R.C. 417/11, dated 23rd February 1912—but on this point I have not yet received any instructions and I would therefore beg to request that the terms for the transfer may be communicated to me as soon as possible.

3. I beg further to invite the attention of Government to paragraph 4 of Mr. Tressler's letter No. 96-G., dated 30th December 1911, submitted to Government with this office No. R.C. 417/11, dated 23rd February 1912, and to state that Mr. Tressler, who inspected the institute during his recent visit to Madura, informs me that the main building at any rate is rapidly becoming unsafe for occupation. To avoid any expenditure by way of repairing the present buildings and to provide for an early move of the institute to the new site it is very necessary that the work referred to in paragraph 1 above should be executed as early as possible. I therefore request that Government may be pleased to accord sanction to the work being carried out departmentally instead of by the Public Works Department and to a sum of Rs. 6,000 being placed at Mr. Tressler's disposal for this purpose. This would be the quickest and most convenient way, and Mr. Tressler, who is an officer of the Public Works Department, seems quite competent to have the work carried out departmentally under his personal supervision.

In view of the urgency of the matter I request the favour of early orders on this letter.

Order—No. 564, Educational, dated 27th June 1912.

The Director of Public Instruction will be informed that sanction for the sale to the Bank of Madras of the site at present occupied by the Madura Technical Institute has been accorded in G.O. No. 1684, Revenue, dated 6th June 1912.

2. In the special circumstances of the case the Government approve the Director's proposal that the work of putting up temporary sheds for the accommodation of the institute at the newly acquired site should be carried out departmentally, and for this purpose a sum of Rs. 6,000 will be placed at the disposal of Mr. Tressler.

3. Further orders will issue in the Financial Department.

NOTES CONNECTED WITH No. 564, EDUCATIONAL, DATED
27TH JUNE 1912.

[SUBJECT.—*Temporary accommodation for the Madura Technical Institute.*]

From the Director of Public Instruction, dated 31st May 1912, No. 417/11.

Sanction has been accorded in G.O. No. 1684, Revenue, dated 6th June 1912, for the sale of the existing Technical Institute buildings and site to the Bank of Madras. Temporary accommodation for the Institute has, therefore, to be provided in the new site acquired recently. For this purpose, the Director of Public Instruction requests that a sum of Rs. 6,000 may be placed at the disposal of Mr. Tressler. The works proposed seem to be desirable and Mr. Tressler may be authorized to carry out them departmentally. As the matter is urgent, the Director's proposal may be accepted. Under article 847 of the Public Works Department Code, Volume I, the

* The pay of the Dyeing Expert is Rs. 750. Not more than about Rs. 11,000 will be required for his salary (Rs. 9,000) and for his establishment (about Rs. 2,000). In G.O. No. 112, dated 9th February 1912, a sum of Rs. 5,000 has been placed at his disposal. So there will be a balance of about Rs. 14,000 which can be appropriated for other purposes.

C. RAMANUJACHARI—11-6-12.

Government are competent to authorize that the work should be carried out departmentally. The cost can be met from the provision of Rs. 30,000 * for Dyeing Expert under 22-F. EDUCATION.

2. A draft is submitted for approval. If approved, it may issue with the concurrence of the Public Works and Financial Departments.

T.K.—11-6-12.

C. RAMANUJACHARI—11-6-12.

If Mr. Chatterton goes to Mysore and Mr. Tressler acts for him as Superintendent of Pumping and Boring Operations, there may be difficulty about his doing this work at Madura. Revenue should therefore see the draft as well.

REVENUE DEPARTMENT.

The Director of Public Instruction urges as a reason why the work of putting up temporary sheds for the accommodation of the Madura Technical Institute should be carried out departmentally, the fact of Mr. Tressler, the acting Superintendent of Industrial Education, being an officer of the Public Works Department. In case the Government of India accept the proposals of this Government in regard to Mr. Chatterton's deputation to Mysore, it has been decided to put Mr. Tressler in Mr. Chatterton's place and His Excellency, who is in charge of Educational, has noted that Mr. Melville will in that event probably act as Superintendent of Industrial
