(Designation) Director of Public Instruction,

To the Secretary to the Government of Madras,
Educational Department.

Sir,

In submitting herewith the letter Ref. Petition
No. 1/Agency of 12 dated 28th April 1912 of the Government
Agent, Godavari with its enclosures, I have the honour to
state that the petition of the inhabitants of Bhadrachalam
(H) deserves no consideration. In G.O.No. 17, Educational, dated
10th January 1911, it was decided that the Government school
at Bhadrachalam should be continued as a secondary school
for a period of two years, as an experimental measure.
Standard rates of fees prescribed for Secondary schools appear
to have been collected from February 1911. The revised scale
of salaries for teachers was sanctioned with effect from
(M) 1st June 1911 in G.O. No. 198 Educational dated 5th April

S.K.

1911. The petitioners' contention is that the higher rates of fees should have been collected only from 1st June 1911. This reasoning does not appear to be sound. The status of the school was raised to that of secondary in G.O. No. 17 Educational dated 10th January 1911 and the school enjoyed the privileges of a secondary school from that date. I therefore consider that there is no satisfactory reason for sanctioning the refund asked for.

2. It is requested that the enclosures may be returned when no longer required.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. Ariene.

COPY OF LETTER from the Government Agent, Golavari
District, Ref. pet. No. 1 of 1912, dated 28th April
Agency
1912, to the Director of Public Instruction. A

I have the honour to state that the inhabitants of Bhadrachalam presented a petition requesting that the fees collected from the boys of the present secondary school in excess of elementary school rates before the date from which the school was ordered to be worked as secondary may be refunded. The Sub Collector, Bhadrachalam, to whom this petition was sent for remarks, states that soon after the receipt of the G.O. No. 17 dated 17th January 1911, -- Educational, raising the status of the school, he issued orders to collect secondary rates of fees and that accordingly higher rate of fees were collected in the months of February, March and June 1911. It was subsequently ordered that the above G.O. should take effect from 1st June 1911. As higher rates were ordered to be collected, evidently without any ~~at~~ authority, when the school was only elementary the Sub Collector, Bhadrachalam, recommends the petitioner's request.

2. There is nothing in the Educational rules as regards the refund of fees collected. A statement showing the amount to be refunded is herewith enclosed. I agree with the Sub Collector and request you to be so good as to obtain the orders of the Government for the refund of Rs. 191-13-9 collected in excess of the elementary school rates in the months of February and March 1911.

3. The petition in original is herewith forwarded for reference and return.

Statement showing the amount of school fees to be refunded to the pupils of the Government School, Bhadrachalam for February & March 1911.

NOTES.

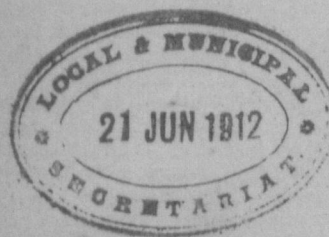

C. No. 1609 From the D.P.I. Ret. No 37/2/12 dated 4. 6. 1912.

SUBJECT.

Refund of fees collected in excess of the elementary school rates from the boys of the incomplete secondary school, Bhadrachalam.

Page 2 of C.F.

The Govt Agent, Godavari, states that during the months of February and March 1911 the Govt school at Bhadrachalam was ^{only} an elementary school. But the D.P.I. states that "the status of the school was raised to that of secondary in G.O. No 17, Educational, of 10th January 1911 and the school enjoyed the privileges of a secondary school from that date". The D.P.I. may perhaps be requested to state from what date the school actually became a secondary school and ^{8K} the secondary course of instruction ^{11.6.12} introduced.

P.P.S. 1/2 Town No 40 of 12/2/6/12

The Govt. Agent must be mistaken about the position during February and March. The school was inspected as a Secondary School on the 17th + 18th February 1911 and the pupils would have been treated as Secondary in regard to their eligibility for transfer to other Secondary schools.

They cannot however have had any different kind of instruction as the staff remained unchanged. I have no information as to what changes have since been made but they would probably be made gradually and in any case subsequently to the 1st June.

Personally I consider that it was an absurd mistake to have declared the school Secondary before it had a staff suitable to a Secondary School and in the middle of a term (but) presume that the idea was that the G.O. No. 17 of 10/2/1911 took effect from the date of issue and that the two years would run from that date.

The petition was not brought to my personal notice before submission to Govt.

but I certainly recommend that the extra amounts collected during February and March may be refunded. April and May seem to have been holidays and as term commenced a new term and an improved staff was by that time possible the fees collected for fees may be retained. Many of the boys who kept that term beginning ^{with} fees will have taken or will be taking transfer certificates to some other Secondary School.

A draft order is submitted for approval. The amount involved is Rs 191.13.9. It will apparently be met from the lump provision of Rs 500 under "Education", "Refunds".
