Municipal Office.

Tellicherry, 2nd March 1912.

From

M. P. V. Gopalan Nair A.M. B. A. B. L.
Vice CHAIRMAN, MUNICIPAL COUNCIL,

Tellicherry.

To

The Director of Public Instruction
Madras.

Sir,

The Commission, for the Inspection of Affiliated Colleges 1910, in its report on the Brenner College has strongly remarked that at least two additional rooms are at present required for the science accommodation of the College, one to be utilized as the Lecture room and the other as the Chemical Laboratory, which latter again has to be fitted with new furniture. The Principal of the College estimated Rs 2000 for the Construction of the two rooms and Rs 1000 for the new furniture required, and provision for both the construction and the furniture was made in the Budget for the year 1912-13, taking however, credit for Rs 2000 as provincial grant for the Construction of the two rooms owing to the utter incapacity of the Municipal Council to find the entire funds from its own resources.

2. In para 1(6) of their order No 251 m dated 14th February 1912 reviewing the Budget of this Municipality for the year 1912-13, the Government ordered that the Credit taken for the provincial grant of Rs 2000 for the Construction of the two rooms and the allotment on charge side of Rs 2000 made under "Grant I- new works" for their construction should be struck out, retaining at the same time the allotment of Rs 1000 made for new furniture under "Grant II- Secondary schools Contingencies" for fitting up one of the two rooms intended for Chemical Laboratory.

This was not
clearly shown as
such in the
budget table

3. As already stated above the Council will not at all be in a position to find their own funds for the Construction of the two rooms. The report as to the progress made by the Municipal Council in providing a separate Chemical Laboratory is due in the office of the Registrar of the University by the 15th July next. Almost all other defects and omissions as pointed out, by the Commission have been remedied and supplied by the Council. Considering it is not this town alone but the entire North Malabar that is benefitted by the existence of this single College in this part of the District it is only fair that any extraordinary charges such as the Construction of the two rooms mentioned above should be included in the net charge borne by Government. Otherwise the University may eventually remove the College from the list of affiliated Colleges and then not only this town but the whole North Malabar will have to suffer on that account.

4. I have the honor therefore to request that you may be pleased to see your way to sanction at an early date Rs 2000 from provincial funds for the Construction of the two new rooms required for the College use.

Forwarding the application of the Tellicherry Municipal Council for a provincial grant of Rs 2000 for the construction of two rooms for locating the chemical laboratory attached to the Brennen College.

in link file below

As pointed out by the D.P.J., the application of the Chairman of the Tellicherry Municipal Council is made in the same circumstances as that of the Palghat Municipal Council in respect of the Victoria College, with the difference that the provincial grant ~~was~~ asked for is only Rs 2,000 for the construction of two rooms for the location of the chemical laboratory attached to the Brennen College, Tellicherry. The Council has, of course, no funds and the credit taken in the budget estimate for 1912-13 for a provincial grant of Rs 2,000 for the purpose was struck out merely because the grant had not been sanctioned. Orders are solicited whether this

C. no 2689 M, from the D.P.I, no 1810/12, of 30.5.12.

The Tellicherry Chairman requests very early orders on his application for a grant of Rs 2000 for improvements to the Breemen College, as he has to submit a report by the 15th July next to the Registrar of the University as to the progress made in the matter. May the D.P. I be informed with the concurrence of Edl. that the matter is awaiting consideration pending receipt of the orders of the Secretary of State on the scheme relating to model schools?

is only Rs 2,000 is in issue, I am inclined
to think orders might issue at once. If the
College is taken over as a model school, Govt.
will have to put the laboratory right. If
this not, the case seems one in which a
Provincial grant-in-aid might be given.
