Sir,

Referring to Director of Public
Instruction's Circular No R.C. 2729/12
dated 20.4.12 directing to submit
proposals for special grants from Pro-
vincial funds for the erection of
buildings for elementary schools
under management of local
Municipal Councils
for equipment, I have
to submit herewith

6
my proposals in personal Consultation
with the District Assistant Inspector
of schools.

In the 1st instalment of
proposals submitted by the District
Assistant Inspector of schools to the
Director of Public Instruction for
the advancement of Elementary Edu-
cation in the Municipality he has
proposed the Conversion of the Kan-
chukurivari and Palivelaveni aided
schools into municipal ones, which
the Council has accepted on the
understanding that the Cost of
maintaining the same be met from
Provincial Funds as informed by
the District Assistant Inspector of
schools in his personal interview
with me. (Vide resolution of the Council
a copy of which is enclosed.)

The two schools referred to above
are in a very bad need of suitable
accommodation. The Dist. Assistant
Inspector has rightly suggested that
the two schools referred to above
be located in the Government Anglo
Vernacular School building. It
has been vacant ever since the
Municipal Secondary school was
closed. The building requires urgent
repairs and the Assistant Inspector
has therefore provided Rs 1000/- for

In this Connection I beg
that the amount proposed

by him is too inadequate for the reason; that in 1910 when the Executive Engineer was asked to prepare detailed Estimates for the repairs to the building which had to be vacated being in need of it he estimated it at a cost of Rs 2620/- as will be seen from the Estimates and plans submitted herewith which may be returned when done with.

In view of the above facts I beg to request you will be so good as to move Government and obtain their sanction for an allotment of at least Rs 2000/- as against Rs 1000/- provided for by the Assistant Inspector.

2. Panchama School.

It has no building of its own nor is there any suitable building available for rent. Government may therefore be pleased to sanction the amount of Rs 1500/- as recommended by the Assistant Inspector for the construction of a building.

A copy of the Comd's Resolution No 12 dated 24.5.12 and the letter from the Assistant Inspector are enclosed.

I have the honour to be

Yours most faithfully,
Sd/-

of Panchama school building

As for the allotment of Rs 2500/-
recommended by the Dist. Asst.
Inspector of schools for the
repairs to the Anglo vernacular
school building and for the
construction of Panchama
school building, the Council
is of opinion that the propo-
sals are commendable and
that the allotment of Rs 1000/-
proposed for the former of the
two is quite inadequate in
view of the fact that the
amount estimated for by
the Executive Engineer was
Rs 2620 and therefore request
Govt to raise the allotment
from Rs 1000/- to Rs 2000/-.

Re 144 Sl 912
9-5-12

Office of the District Assistant
Inspector of Schools. —
Visapattanam District
Camp: Binlipattanam

From,

The District Assistant Inspector of
Schools, Visapattanam District
Visapattanam

To,

The Director of Public Instruction,
Madras,

Sir,

In continuation of my letter No. 144 Sl 912
dated 27-4-12 ~~12~~ I have the honor to submit
herewith my second instalment of proposals
for advancement of Elementary Education
in the Binlipattanam Municipality in person
Consultation with the Chairman M.C.

- (1) The old Government Anglo Vernacular
School building has been vacant for
seven months past on account of the
transfer of the Municipal Secondary
School to the Local Mission Agency.
In my first instalment of proposals
I proposed the taking over of the
Kandukurivari and Palivelavari
Aided schools by the Municipality.
These schools have no proper accom-
modation at present. I therefore beg
to propose their location in the
Government Anglo Vernacular
School building which has ab-

Council. The building requires urgent repairs and Rs 1000/- is provided for the same. 10

(2) The Pancharama School has no building of its own. The rented building provided for it is dark and illventilated. I have selected a site close by the Pancharama Street which may be acquired and a building erected on the same. Rs 1500/- is provided for acquisition of the site, the raising of the Compound walls and for construction of a pucca tiled house 12' X 30' with 6' verandah all round.

(3) The Municipal Council lately proposed the amalgamation of the Golla Veedi aided school, ^{and the Town Elementary school} the conversion of the Sakawari aided school into a municipal one, and the closure of the Municipal Night school on account of there being a strong aided night school to take its place. The proposals were not considered owing to their late submission in the year. (Vide G. O. No 657 M. M. S. dated -4-12.) As Elementary Education the Municipal Council will suffer to a great extent.

Schools proposed to be Amalgamated
and of the other proposed to be Con-
-verted into a municipal one, by
the Competition into which these will
inevitably be dragged by the recently
proposed Earlier Conversion of the
Kandukuri Vani and Palivelawari
Aided schools into municipal ones
and by the consequent rise of these
latter schools in the people's estima-
-tion in case the proposals are allowed
to be postponed till the Budget
time of the next year, I beg to
recommend that the same be given
Effect to along with the Conversion
of the Kandukuri Vani and the
Palivelawari Aided schools into
municipal ones. As the Councils'
proposals involve no Expenditure
from Provincial funds and as the
charges will every year be met
from Municipal funds only with-
out affecting the Councils' Current
year's income in other ways I beg
to propose that the Consideration
of the proposals be not postponed
and that sanction of the Govern-
ment be applied for, for the

required in your endorsement N. Ref
on C: No 1680 dated 23-3-12, a revised
statement of proposition for revision
of Educational Establishment of
the Ponnipattam Municipality and
a second statement showing the
particulars as to the strength of
the amalgamated Town School, are
herein enclosed.

2. The total Expenditure from Provincial
Funds on the repairs of the Government
Anglo Vernacular School building
and to the construction of the Pancha-
ma School Building are shown
below: —

(a) Repairs of the Anglo Vernacular School building	} Rs 1000-00
(b) Construction of the Panchama School Building	} 1500-00
