Regd 8. 7. 12

Madras, 5th July 1912.

From

The Hon'ble Mr. T. Richmond,
President,

Anglo-Indian Association,
Southern India,

MADRAS.

To

The Chief Secretary to the
Government of Madras,

COTACAMUND.

Sir,

I have the honour to confirm my telegram to Government dated the 4th reading as follows:-

"Anglo-Indian Association prays representation Education Conference Simla as in case of Calcutta Association allowed by Bengal Government."

The Educational Conference about to assemble in Simla is of vital importance to the domiciled community and the Anglo-Indian Association is anxious that it should be represented at the Conference. The Association has had no communication from Government on the subject so far. The Calcutta Association has already nominated a representative at the request of the Government of Bengal and the Government themselves have nominated in addition another member of the community as a Non-Official representative. Bengal has thus two Non-Official representatives of the community besides Non-Official Educational experts.

So far as information is available in Madras Reverend Mr. Packenham-Walsh of Bangalore is the only Non-Official delegate ^{from S. India} and I believe his nomination is as a Non-Official Educational expert.

9/21

The circumstances of this Presidency vary a great deal from those of Bengal and I submit that it is highly desirable that similar representatives from this Presidency should also take part in the deliberations of the Conference. On hearing from Government the Association will be prepared to submit its nomination for the approval of Government and I request Government may be pleased to issue early Orders on the subject as the Conference meets about the end of this month.

I have the honour to

Sir,

Your most obedient servant

which gives the constitution of the conference
at Simla. It will be seen therefrom that the foot.
of India desire to make the conference as large
and representative as possible and that they
have left certain undefined class, ~~under~~ which
a representative of the Anglo-Indian Association
Madras may be taken in. It is submitted that
the telegram may be repeated to the Govt. of
India with the remark that the foot. have
no objection to the grant of the request.

I have since telephoned about this to Dr. Bozema. He thinks ^{that} W. C. Madge

already sufficiently represents the
Community, that the conference is an-
nually enough as it is, that the
Anglo Indian Association of S. India
gives no financial assistance to the
cause meriting representation, & that
we should not support his request.
Perhaps therefore it would be better merely
to repeat the telegram saying "Madras
Govt do not support request".

I doubt that we need object of
this Director's desire to be represented.
One more we will make much
dependence upon to manage to India
and ask for orders saying that he
govt does not object.
