From the Principal, United Theological College, Bangalore
To the Chief Secretary to the Government of Madras
Dated the 4th April 1912

I have been informed, though I have no means of knowing whether the information is correct, that to certain public bodies and Educational institutions Government supplies gratis its epigraphical and archaeological reports. If this is the case I should be grateful if you can place this College on the distribution list, as Oriental studies play a large part in our College curriculum. I should also be ~~xxxx~~ greatly obliged if you would send me copies of the catalogue of the Government Oriental Library, Madras, for both sanskrit and vernacular books. If the Oriental library sends free copies of any of its sanskrit publications, for this also I should be glad if this College might be placed on the distribution list.

Station Madras., Dated the 5th JULY, 1912.

From (Name) The Hon. Mr. A. C. BOURNE, D.Sc., F.R.S., C.I.E.,

(Designation) Director of Public Instruction, Madras.

To the Secretary to the Government of Madras,
Educational Department

Sir,

With reference to the Memorandum of Government No. 1437-1
Educational, dated 31st May 1912, I have the honour to state
that the United Theological College, Bangalore, which, it is
understood, has for its aim the higher theological training
of Indian Christians, is a recently established one with a
staff of five Professors, of whom four are Europeans and one
Indian. There are about 20 students now under instruction.
It is reported that a fine site has been bought and plans
for buildings costing upwards of a lakh of rupees are under
consideration. In attempting to train Indian Christian
workers of high grade, special efforts are being made to make

them thoroughly conversant with Indian History and Indian Religions. All the students study Sanskrit and one or other of the Indian Vernacular literatures. The College authorities are forming a library in which they hope to make the oriental section a strong one.

Considering these aims and objects, I am of opinion that the request of the Principal seems deserving of consideration and that the college may be supplied, free of cost, with the publications of Government Oriental Manuscripts Library, Madras.

I have the honour to be,

Sir,

Your most obedient servant,

G. Krishnamoorti

For Director of Public Instruction.
