From (Name) Murray Stuart, Esq., B. Sc., F. G. S.

(Designation) Ag. Principal Librarian, Connemara
Public Library.

To The Secretary to the Government of Madras,

Educational Department,

Sir,

In reply to memorandum no. 1713-1 dated 21st
instant enquiring when the subject index of the
books in the Connemara Public Library will be
ready, I have the honour to state that owing
to the pressure of current work it could not
be made ready for the press by the end of
March last as was anticipated when the report
for 1910-11 recorded in G.O. No. 478 Educational
dated 15th July 1911 was submitted to Govern-
ment. The work of preparing the ms. slips.

PR

is being pushed on and it is hoped that the index will be ready for the press early in 1913. The printing of the index, if the Government Press do it expeditiously, may take about six months; and it is hoped that the work will be published before the end of 1913.

I have the honour to be,
Sir,
your most obedient servant.

Murray Stuart

Lt. Principal Librarian
Cannemara Public Library

As regards the Connermara Library, I wish to know whether there is no Subject ^{Catalogue} ~~Index~~ for classes other than History. I asked for informⁿ about this matter about 2 years ago in the Rev. Dept, & I should like those papers put up. I was then told I think that a complete Subject would be prepared or was being prepared.

The Revenue Dept. papers referred to by the C.S. are put up below - flay 2

2. As regards the subject catalogue of the books in the Connermara Library please see para: 13 of the report of the Madras Government Museum etc: for 1910-11 on p. 7 of fo. 478 Encl. 8 15.7.11 wherein it was ^{stated} ~~expressed~~ that the consolidated subject index would be ready for press before the end of 1911-12. It has however now been ascertained that it would be ready for press only about December 1912.

It might hurry up the production of the Subject Index if Educ^d would send an off-requisition, asking, with ref to para. 13 of the Rept for 10-11, when it will be ready. A Subject Index is often much needed esp^y with ref. to Legre Council Resolus. Will Educ^d kindly consider the point?
