Notice of Mr. Jones's intention to apply for furlough in 1913.

P

In accordance with G.O., No.422 Educational, dated 9th July 1904 Mr. R. Ll.Jones, Professor of Physics, Presidency College, gives notice of his intention to apply for furlough in continuation of the summer vacation of the College in 1913. The question for consideration in this case is whether it is necessary to get out an officer from England to act as Professor of Physics during the absence of Mr. Jones on leave.

2. On the last occasion on which Mr. Jones was on leave Mr. Littlehales acted for him. Vide G.O., R.No.335 Educational, dated 5th July 1907. Mr. Littlehales is now on leave and will return in ^{November} ~~October~~ next.

3. The Director of Public Instruction may be consulted u.o. whether ^{Mr. Littlehales cannot act as Professor of Physics} ~~whether it is necessary to get out an officer from England to act as Professor of Physics during the absence of Mr. Jones on leave.~~

4. Till now Messrs. Duncan, Allen & Jones have given notice of their intention to proceed on leave next year. Please see para. 3 of the office note on page 2 of the note with G.O. No.381. Edl, dated 27th April 1912. Leaving aside Mr. Braithwaite, who has been offered a place in the Mayo College, three officers will be returning from leave by March 1913. No new officer may therefore be necessary.

5. As Mr. Jones holds the office of meteorologist the Rev. Department may also be furnished with a copy of the order in this case.

Dr. Bouene mentioned this case to me & said, I think, that he was calling for information as to the probable period of Mr. Jones' leave, which will be the chief factor in deciding whether or not an expert in physics will have to be brought out to fill his place. Please ask Mr. Stone to supply this information by D.O.

A draft D.O. is submitted for approval.

The D.P.I. has replied to the above D.O. officially. He states that Mr. Jones desires to have furlough for five months in continuation of the summer vacation of the Pres. Col. For this short period no one could be got from England to act. Mr. Jones's application may therefore be merely registered.

2. A draft is submitted for approval.
