Station Madras, Dated the 13th July 1912.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S., C.I.E.,

(Designation) Director of Public Instruction,

Madras.
To the Secretary to the Government of Madras,
Educational Department.

Sir,

H With reference to G. O. No. 520, Educational, dated 31st July 1905, I have the honour to state that I propose, with the approval of Government, to dispense with annual reports on European education and to arrange instead for the submission of a quinquennial report by the Inspector of European and Training Schools. This course has already been prescribed in the case of the reports hitherto received from the Circle Inspectors of Schools and the Inspectresses of Girls' Schools.

2. For the year immediately succeeding the constitution of the office of Inspector of European and Training Schools and for some years subsequently annual reports from that officer were indeed necessary. Now, however, that this

section of the Department has been at work for about nine years they are very much less so. Further, the variations in the numbers of schools and pupils and similar matters are not great from year to year, and the inspection reports submitted annually keep the Director in touch with the progress of individual schools.

I have the honour to be,

S i r,

Your most obedient servant,

G. Vishwanath

for Director of Public Instruction.

SUBJECT.

Discontinuance of the reports on European education.

The reports on European education referred to by the D.P.I. are not submitted to Govt. They are prepared by the Inspector of European and Training schools and the Inspectors of girls' schools and submitted to the D.P.I. The proposal to discontinue them is in accordance with the recommendation of the Decentralization Commission and the orders of the Govt of I. Vide India's letter no 4296 Pub D 29-11-09 on page 2 of G.O. no 323 Edl D 6th June 1910 and may be accepted. The draft below is for approval.

In his letter R.O. no. 2021, dated 18th May 1910 on page 3 of G.O. no. 323. ED, dated 6th June 1910, the D.P.I. stated that so long as the report on public instruction was required to be submitted annually, it did not seem possible either to dispense with any of the reports submitted to him or to make them biennial or quinquennial. The public instruction report, though curtailed, is not to be discontinued as an annual publication. Apparently the

report on European education is not needed for the preparation of the public instruction report and the statistics required for the latter are obtained from other sources. If so, the D.P.I. should have recommended the discontinuance of the report in 1910. In any case, there seems to be no objection to accept the D.P.I.'s present proposal.
