with a route for the purpose interviewing the

My dear Davidson

It appears that I shall
require the sanction of Government
under Art. 997 C.S.R. to having performed
my journey to and from Simla
via Calcutta as this is neither the
shortest nor the cheapest route

I had two reasons for selecting
this route 1) in connection with
the charges brought against the
Assistant Inspector in Gangam and
2) to enable me to make enquiries

suggested by His Excellency with reference
to the Teaching University Question.

As a matter of fact I was able to
arrange about the first matter
with the Inspector at Waltair and to
fully discuss the second with Mr Nathan
Chairman of the Dacca University
Committee at Calcutta. I arranged
that Grievé should investigate the
Ganjam case and expected that he
would meet us on the return
journey at Berhampore or Vizianagaram.
He did not however receive the
order suspending the Assistant

Inspector until the day I reached
Madras and left only that evening
for Berhampore -

I was detained in India on duty
for 11 days. I propose to claim daily
allowance for 10 days only but Art. 1115
C.S.R. would seem to require the
official intimation of Government
that my presence for 11 days was
necessary.

Will you kindly secure the
necessary sanction.

Yours sincerely

A. G. Rowlands

The Honble Mr L. Davidson ICS
Secretary to Government
Educational Department

The D.P.I. makes two requests: -

(1) that he may be permitted to calculate his travelling allowance for his return journey from Simla by the route via Delhi.

(2) that the A.G. may be informed that he (the D.P.I.) requires at Simla some required for the whole period of 11 days he was there.

As regards (1) Dr. Borne said that he would like to submit under instructions, but as regards (2) there was no objection as to him. Dr. Borne reached Simla at which he left it. In his report of 1912, dated 22nd Jan 1912, it was stated that Dr. Borne should have been in Simla on Tuesday the 15th July, but Dr. Borne had left Simla after his return from the completion of the work. The conference was held on the 15th and Dr. Borne must have left Simla on the 15th. Rather than making a journey to the city of Simla to depart the only way to the Simla terms that he passed at Simla. It was agreed on duty for the whole period of his stay of 11 days there.

A draft is submitted for approval.

If approved, it may be sent to the D.P.I.

The D.P.I. makes two requests:-

- (1) that he may be permitted to calculate his travelling allowance for his return journey from Simla by the route via Calcutta; &
- (2) that the A.G. may be informed that his (the D.P.I.'s) presence at Simla was required for the whole period of 11 days he was there.

2. As regards (1) Dr Bourne says that he went to Calcutta under instructions from H.E. but as regards (2) there is no information as to when Dr Bourne reached Simla & when he left it. In Mr Sharp's D.O. no. 209 Idm dated 22nd May 1912 it was specially requested that Dr Bourne should arrive in Simla on or about Tuesday the 16th July 1912 & Dr Bourne must have left Simla only after the Conference on the Education of the Somiciled Community was over. The Conference came to a close on the 27th and Dr. Bourne must have left Simla on the 28th. Rather than making guesses about the date of arrival & departure, the order may be in general terms that his presence at Simla was required on duty for the whole period of his stay of 11 days there.

3. A draft is submitted for approval.

If approved, it may issue. It need not be sent to the Financial Dept for acceptance.
