READ—the following paper :—

Letter—from M.R.Ly. Rao Bahadur M. RANGACHARYA, M.A., Registrar of Books, Madras.

To—the Secretary to Government, Educational Department, Ootacamund (through the Director of Public Instruction, Madras).

Dated—the 31st July 1912.

No.—1384.

I have the honour to submit herewith the printed catalogue of books registered in the Madras Presidency during the second quarter of 1912, with the following report on the catalogue.

2. The total number of publications received and registered during the quarter is 1,023 or 27 less than the total of the previous quarter; of these, 612 are grouped as "Books" and 411 as "Periodicals."

3. The classification of the collection in accordance with the languages shows that English including diglot editions has contributed 304 works, Latin 1, Italian 1, Tamil 307, Telugu 215, Malayalam 51, Kanarese 29, Konkani 4, Tulu 1, Marati 1, Uriya 19, Hindustani 5, Arabic 15, Sanskrit 69 comprising those printed in Telugu, Grantha and Nāgarī characters and a Prākṛit-Hindi religious book.

4. Nearly 10 per cent. of the total number registered consists of works designed for educational purposes.

5. The total number of copyright entries made during the quarter under report is 151, including 8 Government publications registered free of charge and 14 other works mentioned in the additional list appended to the accompanying catalogue. There have also been two cases of assignment of copyright under Act XX of 1847 in respect of the two books numbered 15 and 16 in this additional list.

6. I take this opportunity to state that, after the reorganisation of the office establishment, it has been possible to bring out the Catalogue of this Presidency *within one month* after the close of the quarter and sooner than similar catalogues of other provinces of India are generally issued.
