From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc. F.R.S.C.I.E.

(Designation) Director of Public Instruction.

Madras.

To the Secretary to the Government of Madras,
Educational Department.

S i r,

I have the honour to submit the enclosed application for grant towards the purchase of typewriters for the A.B.M. High School, Nellore, and to recommend that a grant not exceeding Rs. 795/- or one half of the entire cost of the machines, whichever may be less, may be sanctioned under rules 57 and 60 of the Grant-in-aid Code to be paid as funds become available on submission of the necessary vouchers by the Correspondent of the school.

2. The Correspondent of the school says that the machines are required to impart instruction in typewriting which is one of the subjects comprised under group C of the Secondary School Leaving Certificate Scheme and that a qualified teacher has been entertained in the school to teach the subject.

3. As the current year's budget provision for "Grants for furniture, apparatus and other special objects" has already been proposed to be fully utilized, the above

grant, if sanctioned, can be paid only when funds become available.

4. I request that the enclosures may be returned when no longer required.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Aneve.

C. No. 2095 From the 509 No 5967/12 dated 26.7.1912.

SUBJECT. Grant in aid of purchasing typewriting machines for the A. B. M. high school, N. More.

This appears to be the first application for a grant in aid of purchasing typewriting machines required for a school. Under clause (iii) of art. 57 of the Grant-in-aid Code "except in the case of industrial and technical schools, aid shall not, as a rule, be afforded for the purchase of articles to be used by the pupil, as distinguished from those required by the teacher in giving instruction. But in special cases grants may be given for books and slates for the use of pupils, on condition that the books and slates remain the property of the school, are used by the pupils during school hours only, and are not removed from the premises."

2. In the present case the typewriting machines are for the use of the pupils and ^{it seems} therefore ^{doubtful whether a grant is} ~~no grant is~~ ~~admissible~~, admissible towards the cost of their purchase. But it seems possible to bring the case within the "special cases" referred to in the latter part of the rule, because the machines will remain the property of the school, will be used by the pupils during school hours only and will not be removed from the school premises. On this ground the grant applied for may, it is submitted, be granted.

3. A draft order is submitted for approval.

Instruction in typewriting is not possible without the students' handling the machines. The case is similar to students working in laboratories, for which grants are made.
