## Building Grant

Sanctioning a — not exceeding Rs. 2,610 to the Basel Mission incomplete secondary school, Hosdrug.

## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following papers :—

## I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 30th May 1912.

No.—R.C. No. 3528.

I have the honour to submit the enclosed plans with estimates amounting to Rs. 5,220 for the construction at Kasaragod of a building for the Basel Mission incomplete secondary school, Hosdrug, and to recommend that a half grant of Rs. 2,610 may be sanctioned under rule 54 of the Grant-in-Aid Code to be paid when funds are available.

2. The transfer of the school from Hosdrug to Kasaragod has my approval.

## II

## Memorandum No. 1553-1, Educational, dated 7th June 1912.

With reference to his letter R.C. No. 3528, dated 30th May 1912, recommending that a grant of Rs. 2,610 may be sanctioned towards the cost of constructing a building for the Basel Mission incomplete secondary school, Hosdrug, the Director of Public Instruction is requested to state whether, in view of the policy which has been adopted by Government, it is desirable in this particular case to assist in the maintenance of the school as an incomplete secondary school in lieu of promoting its conversion into a good elementary school.

L. DAVIDSON,  
Ag. Secretary to Government.

To the Director of Public Instruction.

## III

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 19th June 1912.

No.—Ref. on Cur. No. 3528.

With reference to Memorandum No. 1553-1, Educational, dated 7th June 1912, I have the honour to say that it is very desirable to assist in the maintenance of the incomplete secondary school, Hosdrug, which is to be transferred to Kasaragod. South of the river Netravati and in the Puthur division comprising the two taluks of Kasaragod and Puthur no other provision exists for secondary education. In fact this is only a branch of a complete secondary school which the mission maintains in Mangalore. Further, the school is to be under the supervision of a European missionary. It would probably be impossible to maintain the school at all as elementary.

## IV

Note by the Chief Engineer, Public Works Department, No. 781 D.,  
dated 12th August 1912.

The Director of Public Instruction submits for sanction an estimate amounting to Rs. 5,220 with plans for constructing a building for the Basel Mission incomplete secondary school at Kasaragod, South Canara district.

The plans and estimate have been scrutinized in the Chief Engineer's office and the following alterations have been made in the scantlings of roof timbers :—

|                         |    |    |    |    |                          |
|-------------------------|----|----|----|----|--------------------------|
| Purlins of main roof    | .. | .. | .. | .. | From 5" x 8" to 4" x 7". |
| Ridge piece of do.      | .. | .. | .. | .. | " 3" x 9" to 2½" x 8".   |
| Bressummers of verandah | .. | .. | .. | .. | " 5" x 7" to 4" x 7".    |
| Verandah rafters        | .. | .. | .. | .. | " 2" x 4½" to 2" x 5½".  |
| Main hip rafters        | .. | .. | .. | .. | " 3" x 6" to 4" x 10".   |
| Verandah his rafters    | .. | .. | .. | .. | " 3" x 6" to 4" x 7".    |

The amount of the estimate is not affected by these alterations. One of the kinds of timbers mentioned in Circular Memorandum No. 2040 C., dated 27th October 1909, as applicable to table No. I of Circular Memorandum No. 234 C., dated 9th January 1908, should be used for the roof. The least dimension of walls 18' high should be 1' 2" and not 9". It is recommended that flat tiles should be provided under the Mangalore roof tiles. It is observed that no provision is made in the estimate for painting woodwork. A layer of 4" concrete or sand should be laid under the flooring tiles. The rate (Rs. 15 per 1,000 cubic feet) for earth filling appears excessive.

The Superintending Engineer, IV Circle, should satisfy himself regarding the suitability of the foundations.

With these remarks the estimate amounting to Rs. 5,220 is recommended for sanction.

S. D. PEARS,  
Ag. Chief Engineer.

## Order—No. 749, Educational, dated 16th August 1912.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure nor Rs. 2,610 towards the cost of construction at Kasaragod of a building for the Basel Mission incomplete secondary school, Hosdrug, subject to the following conditions :—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted; and

(2) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

(True Extract.)

L. DAVIDSON,  
Ag. Secretary to Government.

To the Director of Public Instruction, with plans, estimates and Chief Engineer's note.

From the Director of Public Instruction, dated 30th May 1912, No. 3528/12.

The policy of Government is to discourage incomplete secondary schools and to convert them into good elementary schools as far as possible--please see notes connected with G.O. Nos. 580, Educational, dated 8th October 1910, and 381 R., dated 15th November 1911. The Director of Public Instruction does not state the grounds on which his recommendation to sanction a grant in aid of the incomplete Secondary school, Hosdrug, is based. Following the precedent in memorandum No. 184-1, Educational, dated 21st February 1910, he may be requested to state the grounds for proposing a deviation from the principle.

[Memorandum No. 1553-1, Educational, dated 7th June 1912.]

From the Director of Public Instruction, dated 19th June 1912, No. 3528/12.

In the circumstances reported by the Director of Public Instruction the Government may, it is submitted, agree to the maintenance of the school as an incomplete secondary school and also to the payment of a grant in aid of constructing a building for it.

2. The plans and estimates may be forwarded to the Public Works Department for scrutiny.

INSTRUCTIONS FOR THE  
SECRETARIAT.

(a) If a paper is marked to be printed  
urgently, the Superintendent of the section  
concerned should sign the Press slip. The  
Superintendent should exercise a careful discre-  
tion in the matter.

(b) Each letter, memorandum, or order, or set  
of orders, in the file of correspondence should be  
headed in succession with the Roman numeral I,  
II, III, etc., the number being written in red ink  
or blue chalk above the item. The particular  
papers to be printed in the special issue-copies  
should be indicated by the Roman numeral (I,  
II, etc.) by which that item has been headed in  
the correspondence file. All matter, including  
marginal remarks or references, to be printed  
should be written in ink and matter which should  
not be printed should be encircled. Initials and  
signatures that are not quite legible should be  
re-written distinctly.

(b1) For rules regarding printing of notes,  
see the rules in G.O., No. 1220, Public, dated  
30th November 1900.

(c) The number of copies and the details of  
distribution should be filled in by the Superin-  
tendent or Referencer concerned.

(d) In the absence of special instructions to  
the Press to keep matter standing for a specified  
period, ordinary papers of 8 pages and under  
will be kept standing for one week, and larger  
papers for two weeks only. The type of notes  
and of all confidential papers is distributed  
immediately after striking.

(e) This slip, properly and completely  
filled in, should accompany every paper sent  
Press; it will be returned by the Press when  
proofs are furnished; it should be sent to the  
Press when a call is made for revised proofs or  
when a corrected proof is sent for striking.  
When finally returned by Press it should be  
filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of  
the Press, a paper has been marked urgent  
unnecessarily, he should send the Press slip to  
the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made  
against the matter, pencil entries should not  
be printed. The Superintendent of the Press  
may bring to the notice of the Registrar any  
instance of incomplete or careless editing.

(c) Signature copies of letters to the  
Secretary of State or to the Government of  
India should be printed on hand-made paper.

(d) This slip should be returned by the Press  
to the Secretariat when proofs are furnished; it  
will be sent back to the Press when proofs  
are returned corrected and should be finally  
returned to the Secretariat when struck-off  
copies are supplied.

(e) The names of the Secretary and Members  
should be printed in full when they occur on  
the right hand side, but only the first time when  
they appear on the left side, the initials alone  
being printed later.

| A                                                                       | B                                                                                   | C                                                                                                                                                   |
|-------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Please send proof in triplicate. The papers have been carefully edited. | Proof returned corrected. Please strike off and send number of copies as indicated. | As the matter is clear manuscript and has been carefully edited, (b) proof need not be sent. Please print and supply number of copies as indicated. |
|                                                                         | Type may be released after usual interval at once.                                  | Type may be released after usual interval.                                                                                                          |
| .....Clerk.                                                             | .....Clerk.                                                                         | .....Clerk.                                                                                                                                         |
| .....Supdt.                                                             | .....Supdt.                                                                         | .....Supdt.                                                                                                                                         |
