Nagpur, the 29th January 1912.

Sir,

I am directed to invite a reference to this Adm
letter no. 1213/VI-1-55, dated the 22nd July 1911, in wh
Government of India were informed that effect will be giv
their suggestion that occasional short visits should be pe
the staff of technical institutions, Professors of College
Inspectors of Schools to other Provinces in order to enlar
their experience.

2. In this connection I am to say that the Director of Agricul
ture has laid stress on the great and increasing difficulty of
securing the services of Experts from other Provinces to condu
College Examinations. This need is becoming more and more acute
and he has suggested that the visits of Principals of Colleges
and Experts to enlarge their experience might well be combined
with a scheme for interchanging examiners. This proposal comm
itself to the Chief Commissioner and he feels that the greatest
advantages would result, if the two schemes could be combined
in this way. I am accordingly to lay the suggestion before the
Government of India for any action they may deem necessary.

I have &c.

(Designation) Director of Public Instruction,

Madras.

To the Secretary to the Government of Madras,

Educational ~~Local and Municipal~~ Department.

Sir,

In returning herewith the papers received with your memorandum No. 1143-1 dated 19th April 1912, I have the honour to state that the scheme mentioned therein refers primarily to the College of Agriculture with regard to which I have no information. I am not aware that any difficulty has been experienced in the institutions under my control. I presume, however, that there would be little objection to an expression of willingness to consider any scheme proposed. Any objection, that I anticipate, depends upon the fact that the scheme may involve centralized control.

I have the honour to be, Sir,
Your most obedient servant,

R. A. Anave

C. No. 1143 From the Govt of India
- 1318 - - - - -No 823 dated 10-4-1912.
- 3437 - - - 2-5-1912

SUBJECT.

Interchange of Examiners between different Provinces.

A draft letter to the Govt of India on the lines of the D.P.'s reply is submitted for approval - If approved, it may be sent to the Revenue Dept. for acceptance as the Agricultural College in this Presidency is under the control of that Dept. Any additional remarks which that Department may see fit to make with reference to the Agricultural College may be embodied in the draft.

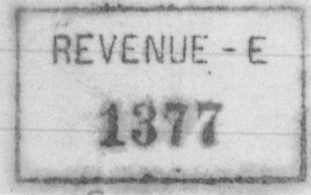

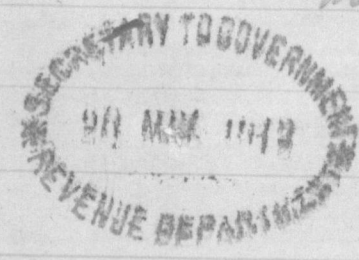

CA
18/5/12

As far as Edul is concerned we should no doubt be glad to help pay the C. P. by supplying an examiner who at the same time could widen his knowledge of conditions & methods prevailing elsewhere, but we do not appear to be in great need of such assistance ourselves. The question is however mainly for Rev. It is useless drafting till we have

2.2.10

In para. 5 of the letter no. 1 dated 4th Jan'y 1910, the Govt of India remarked with reference to the arrangements for the conduct of final examinations at the college of Agriculture that "the Agt. Deptt of each Province should make its own arrangements for the examination, but that endeavours should be made to secure the assistance of officers from pure or other provinces to assist the college staff in conducting the ~~stages~~ examination." In accordance with this observation of the G. O. this year is indenting for and obtaining the services of outside examiners year after year. The Coimbatore agricultural college began its work in June 1908 and as the diploma examinations in ~~Agri~~ Botany, Chemistry and entomology are all held at the end of

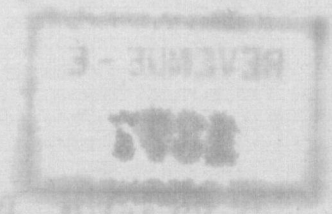

P.3 44. no. 521
24.2.09

Rule 18 of the prospectus
on p. 11 of 1357 B.
8.5.11

the second year, the ~~diploma~~ examinations in these subjects were held for the first time in 1910. The following table exhibits the several officers whose services were required for conducting the examination together with the name of the respective provinces they belonged to.

Year.	Name of the officer.	Name of the Prov.	Whether
1910	Mr. Leake	United Prov.	Seen
	Mr. Wark	Burma	Do.
1911	Mr. Clouston	Central Prov.	Do
	Mr. Wark	Burma	Do.
	Mr. Woodhouse	Bengal	Not Seen
1912.	Mr. McKerrall	Burma	Seen
	Mr. Wark	Burma	Do
	Mr. Leake	U. Prov.	Not Seen

From the above, it is seen that only on two occasions the services of outside examiners were not secured and on these two occasions, Mr. Sutherland, Supernumerary Agriculturist, then offg. as Dy. Dir. of Agr., Southern Circle Madras, was permitted to assist the Gov. Botanist in the conduct of the examinations. It may, it is submitted, be said therefore that no great difficulty has been experienced in this Presidency in the matter of obtaining outside examiners for the conduct of examinations.

at the college of Agre. It is not possible to forecast how long this Govt. can obtain the Services of outsiders ~~without~~ ^{without} any great inconvenience. Difficulties may arise and in certain years officers will not be available to serve on the examining Board. It is reported that the Govt of the Central Provinces are already experiencing difficulties in obtaining outside examiners with a view to overcoming these difficulties the Central Provinces Govt suggest that the visits of the Principals of Colleges and experts to other Provinces to enlarge their experience might well be combined with a scheme for interchanging examiners. The latter scheme already obtains in almost all the Provinces. The former scheme is that which is contemplated by the G. of India in their letter no 964 d 7.7.11 and which now has been given to effect to in the Educational Dept- vide G.O no 510 Educational dated 27-7.11. The G.O just referred to permits occasional short tours by the Principals of Colleges, Inspectors of Schools and the staff of the different technical institutions to other Provinces in order to enlarge their experience and get new ideas. This plan may also be adopted in the Agt. Dept. If this plan were adopted, the Principal of the Agt. college and the other experts may be allowed to visit other Provinces or Presi-

Presidencies at a time when their services are required by the Provinces for conducting the examinations. But it is submitted that the case of the officers of the Edul. Dept is not on all parts with that of those of the Agri. Dept. The visits which in the case of the former may be productive of good may not turn out to be true in the case of the latter. Agriculture is essentially a practical art and as such the experience gained in one Province will not be of much use in another Province in a country like India with its diversity of climate, soil, products etc. moreover the examinations are all apparently held at about the beginning of Summer, that is, at a time when agriculture is likely to be mostly at a standstill. Visits made at this season of the year may not be of any great value. In these circumstances it is for consideration whether the plan suggested by the Govt of the Central Provinces will be productive of any material benefit to the officers, ~~especially~~ ^{particularly} of the Agri. Dept. whatever may be said of the merits of the system from the point of view of other Depts.

To Under Secy.

The suggestion made by the Central Provinces Administration for an interchange of examined with a view to overcoming the difficulties at present experienced was referred to the Board of Revenue in the Forests and Settlement Departments for remarks. Replies have now been received and they will be found on pages 6-10 ef.

2 The Board of Rev. (Forests) reports that as no knowledge has been gained of the working of the Forest College, Coimbatore, no opinion can be offered on the suggestion referred to it.

3 As regards the Agri. College the Board says that Director of Agric. reports that "considerable difficulty is experienced in obtaining outside examined and refers to the correspondence noted in the margin in support of his statement." At present examined are mostly obtained from Burma where there is ~~of~~ no Agri. college. The Dir. thinks that if one be established there also, it will be almost impossible to get examined and he therefore

that that same such system as is suggested by the Chief Commr. should be inaugurated. Attention is solicited to the notes on pages 2-5 supra. Only of the various attempts made by this Govt. to secure the services of outside examiners for the conduct of examination at the Agri. college, only two were unsuccessful and on these two occasions a local man was readily available. It is with reference to these two unsuccessful attempts the Director of Agric. says that "considerable difficulty is experienced" whether it is so or not at present, considerable difficulties are likely to arise if, as the Dir. reports, an agri. college is established in Burma, ~~on whose experts alone this Presidency depends to a great extent.~~

4. With reference to the vely college the Principal ~~reports~~ reports that no difficulty has as yet been experienced inasmuch as the college has hitherto had a permanent board of examiners but fears that difficulties is likely to arise as a result of the abolition of the Inspector Genl. ^{C.V.D.} and the consequent abolition of the permanent Board of Examiners. Mr. Aitchison is of opinion that the Principal of a vely college should not, for the reasons stated in the Board's proceedings, be asked to act as an examiner of another college. The Board of Revenue does not give, either as regards the Agri. college or as regards the vely college, its own opinion or

Pages 9-10 of 10

remarks on the report of the Dir. of Agric. and that of the Principal. Attention is in this connexion solicited to Gov. No. 1463 d 13.5.12 from which it will be seen that in reply to a reference from the G. of D. on the subject of the arrangements to be made for the conduct of examinations at the vet. college, this Govt. have stated that it is highly desirable to have an examining Board permanently constituted so far as such is possible and to this end have requested that the services of the Supt. of the Govt. Cattle Farm Hissar might be secured to this Presidency every year. Thus it will be seen that attempts are already being made to minimise difficulties in the matter of conducting examinations at the vet. college. The communication from the G. of D. refers only to the examinations at the college of Agric. and in regard to this it is submitted that Govt. may agree with the Dir. of Agric. and inform India that this Govt. would be willing to cooperate in some such scheme as is contemplated in the Chief Commr's letter dated 29th Jan'y 1912. The file may, with these remarks, be returned to Edul.

Letter No. 1464 .W.
13.5.12

Page 2-er.

Rh

Secretary.

The Govt. of India's reference was not I think intended to apply only to the Agricultural College.

2. It is certainly desirable to have outside examiners both for the Agricultural and Vety. Colleges and probably also for the Forest College. It is also certain that there will be much difficulty in the future in getting such examiners unless some working arrangement is ~~thoroughly~~ thought out.

3. There will be considerable difficulty in arranging to give Madras experts time to visit other Presidencies especially in the case of Principals of Colleges. The objection to Principals of one College acting as examiner to another College is, I am afraid, substantial.

4. Revenue may say that "they have already experienced difficulty in getting foreign experts as examiners for the Agricultural College and they apprehend still more serious difficulty in the future in the case of that College and of the Vety. College" (attention being drawn to G.O. No. 1443 Rev., d/13-5-12) and possibly also in the case of the Forest College. "If any workable arrangement could be devised on the lines indicated by the Chief Commr., Central Provinces, they would be glad to cooperate but they fear it will not be easy to work out a satisfactory scheme."

5. Separate conferences of officers of the different Provinces in the case of each of the concerned Colleges would seem the readiest way of arriving at a workable plan, e.g., a conference of agricultural officers from the various provinces could deal with the question of providing examiners for the various Agricultural Colleges.

From the papers now put up by the Revenue Dept, it is clear that the reference from the Govt of India relates to the examinations of the Agricultural, Veterinary and Forest Colleges which are under the Revenue Dept and which are not affiliated to the University. The Colleges under the Educational Dept such as the Arts Colleges, the Law College, the Teachers' College and the College of Eng - are all affiliated to the University and the final examinations relating to these colleges are conducted by the University. Consequently no difficulty such as that referred to in the letter from the Chief Commr. of the Central Provinces has been experienced in any of the Colleges under the Educl. Dept. such difficulty has however been experienced in the Colleges under the Rev. Dept and it is anticipated that it ~~will~~^{may} occur in an intensified form in future. In these circumstances it is submitted that the file may be transferred to the Rev. Dept to be dealt with finally by that Dept.

TH. Ch. Draft as proposed by D.P. (p. 4 of cf.) and Revenue p. 9 of notes. Sent draft to Rev. for acceptance. It may, I think, use in Edwel. Ref. chd to made to @ 12.50

Vide D.P.D. letter on page 4 of cf.

TH. nif

From the paper now put up by the
 Revenue Dept. it is clear that the reference
 from the Govt of India relate to the
 examination of the Agricultural, Veterinary
 and Forest Colleges which are under the
 Revenue Dept. and which are not
 affiliated to the University. The colleges
 under the Educational Dept. such as
 the Arts College, the Law College, the
 College and the College of Eng. are all
 affiliated to the University and the
 final examination relating to these colleges
 are conducted by the University. Consequently
 no difficulty such as that referred to in the
 letter from the Chief Commr. of the Central
 Province has been experienced in any of the
 colleges under the Educl. Dept. such
 difficulty has however been experienced in
 the colleges under the Rev. Dept. and it is
 anticipated that it will occur in the
 intermediate form in future. In these
 circumstances it is submitted that the
 may be transferred to the Rev. Dept. to be
 dealt with finally by that Dept.

LETTER: No. 779 2d. 8/26/8/12

To

The Secretary to the Govt. of India,
Department of Education.

Sir,

With reference to your endorsement No.823, Education, dated 10th April 1912, forwarding for consideration a copy of letter from the Chief Commissioner of the Central Provinces No.177/VI-1-55, dated 29th January 1912, I am directed to state that, though the Government are not aware of any ^{of Madras} difficulty in securing the services of experts from other provinces as examiners in respect of the institutions under the control of the Educational Department, they have had ~~to face such difficulty~~ in connection with the Government Agricultural College at Coimbatore. His Excellency in Council apprehends still

practical experience of incandescence
on that score.

more serious difficulty in the future in the case of that college and of the Veterinary College and possibly also in the case of the Forest College. In the Hon'ble Mr. Wynch's letter to the Government of India in the Department of Revenue and Agriculture, No. 1444 Revenue, dated 13th May 1912, some indication has already been given of the ~~existence of~~ ^{affecting} disabilities in making arrangements for the conduct of examination at the Veterinary College. ~~The Governor in Council~~ ^{H.E. Chief} agrees with the ~~Sanitary~~ ^{Sanitary} Commissioner of the Central Provinces ~~that it might~~ ^{as to the} be advantageous ~~to~~ ^{of} to inaugurate a scheme for the interchange of examiners and combined ~~with~~ ⁱⁿ with the system of occasional visits of the professorial and inspection staff to the institutions of other provinces ~~already~~ ^{already} accepted in this Presidency with reference to the recommendation in your letter No. 964, Education, dated the 7th July 1911. His Excellency, in Council ~~however doubts whether a~~ ^{cannot refrain from expressing doubts} as to the ~~possibility of devising a~~ ^{possibility of devising a} satisfactory and practical arrangement on these lines ~~has been to work out~~ ^{without any centralization} and whether it may not involve any centralized control, but ~~that if one~~ ^{that if one} could be devised he would be glad to co-operate.

I have etc.

more serious difficulty in the future
 in the case of that college and of
 the Veterinary College and possibly
 also in the case of the Forest College.
 In the Hon'ble Mr. Wynn's letter to
 the Government of India in the paper
 ment of Revenue and Agriculture, No.
 144 Revenue, dated 13th May 1912,
 some indication has already been
 given of the existence of difficulties
 in making arrangements for the conduct
 of examinations at the Veterinary
 College. The Government of India
 agree with the Secretary's recommendation
 of the Government of India to provide a scheme
 for the interchange of students and
 combine it with the system of occa-
 sional visits of the professorial
 and inspection staff to the institu-
 tions of other provinces already
 accepted in the Government of India
 reference to the recommendation in
 your letter No. 964, Revenue, dated
 the 7th July 1911. Mr. Wynn's
 Council however desire that the
 national history and practical arrangements
 or some form of arrangement should be
 and whether it may not involve any
 centralized control but that if an
 could be devised no would be that for
 no-operations.
 I have etc.
