Sir.

I have the honor to submit the
following application.

I am desirous of going to England in
October next, when my furlough is due,
with a view to undergoing a training
at Cherwell Hall, Oxford. and to
specialize in the teaching of English &
Mathematics, if I can obtain help from
the Government. As I have been
informed, that to meet such cases as
mine, the Government are prepared
also to grant of £ 50 annually as
a supplement to furlough allowances,
I have the honor to request that you

him be pleased to recommend me for the same and to apply on my behalf for this grant from Octon resch to enable me to carry out this intention.

I learn, on good authority, that the Bengal Government have sent Miss Venka, the 1st Assistant of the Dacca Training College, to England, on her full salary, Rs 250 p.m., plus a handsome scholarship, & that the Bombay Government, a few years ago, sent Miss Newland of the Poona Training College, on an equally good scholarship to England. I trust the Madras Government will be as liberal in aiding the efforts of the women of this Presidency to improve their qualifications.

I may mention that I shall have served on the Staff of the Presidency Training School for 10 years in Octon resch, & that during that time my duties included the teaching of Mathematics & English to the pupils of the High School.

That the record of matriculation results show that there has been a Cent-per Cent pass in matriculation for the past 5 or 6 years. One of the girls obtaining nearly 70 p.c. & another 60 p.c. of the marks last year. A few years back, one of the girls gained the Sathianadan gold medal for obtaining the highest marks in English at the Matriculation Examination, & last year another girl again stood highest in English & was in the running for the medal; but it was awarded to the Candidate obtaining the highest percentage of marks in the School Trial.

A list of my testimonials is herewith submitted

Miss Maud C.E. Kamey officiated as Head
mistress of the Girls' School of this Asylum
from the 19th August, 1901 to the 3rd Feb.
1902, when she was relieved by the permanent
incomber of the post. She was here
but a short time, but quite long enough
for me to appreciate her good, steady &
hard work. She was uniformly obliging,
attentive to her duties & careful &
punctual in their discharge. She
was kind but firm with the girls, &
did her best in every way for them. She
was methodical & painstaking in her
teaching & proved herself capable of
managing a very big school.

Doveton Protestant College, Madras.

Miss M. C. E. Karney B. A., received the greater part of her education at the Doveton Girls' High School, from which she passed the Middle School Examination, the Higher Examination for women, and the Matriculation Examination all in the first class. For the First-in-Arts examination she studied at the Doveton College, when she took the first prize in the Junior F. A. class, and finally passed the examination in 1891. She took her B. A. degree from the Central College, Bangalore, securing a second class in Science. After a year's training in the Teachers' College, Saidapet, she was entertained as First Assistant in the Doveton Girls' High School on 1st August 1896, and was entrusted with the teaching of classics and mathematics in the higher classes. The records of the institution show that during her tenure of office for a period of eighteen months including three months during which she acted as Head Mistress, she did excellent work, while the results of the matriculation examination during her time, three passing out of four presented, also testify to the efficiency of her teaching. She left the institution in March 1898, to take up a better appointment in Ahmedabad. I may add then both as a pupil and as a teacher Miss Karney seems to have deserved and to have obtained the good opinion of those under whom she worked.

I have much pleasure in testifying to the merits of Miss Maud Karney, who takes charge of the school as head mistress, until my successor arrives from England. She is capable of conducting the work of the school, and will, I am sure, give herself wholly and conscientiously to the work she has undertaken. She was educated in this school and passed her matriculation here, afterwards taking her B.A. degree. I shall look forward to good results from her pupils and I am confident I shall not be disappointed. She has my best wishes for her success and well-being.

Miss Maude Karney B.A., was appointed 1st Assistant Teacher of the
Doveton Girls' High School in August 1896.

When the Head Mistress, Miss Keely, retired Miss Karney undertook
the management of the school and carried out the duties of Head Mistress until
my arrival, i. e., from July 1st to October 11th 1897.

Miss Karney has charge of Form 6, the Matriculation Form, and has
taught them all subjects necessary for the examination, her special subjects
being Science and Mathematics. She is thoroughly reliable, conscientious and
high principled and fitted to carry on any educational work.

As far as I can judge in this short time, she is a good teacher, making
her subjects interesting and keeping always the attention of her pupils.

I shall be very sorry to lose her.

Miss Maud Karney attended the Presidency Training School for Mistresses during 1896 for practical work in teaching.

Her preparation for the lessons she was required to give was very thorough and her notes of lessons left little to be desired. Miss Karney is I think conscientious in her work and she throws the utmost of which she is capable into the duties assigned to her.

It gives me great pleasure to testify to the high intellectual abilities and sound scholarship of Miss M. C. E. Karney B. A. (Madras) First Assistant Mistress at the Mahaluxmi Female Training College, Ahmedabad. She possesses a remarkable ability in imparting knowledge which I could judge from the examination papers of her Matriculation class. Her pupils always did well, when they sat with our boys for the Terminal and Annual Examinations. In one of these Examinations one of her girls headed the list obtaining first class marks.

From all what I know of her I can safely predict a successful future for her as a first class teacher in any institution, either a European or an Indian.

It gives me pleasure to certify that from my acquaintance with Miss Maud Karney during the two years of her residence in Ahmedabad I have formed a high opinion of her character and ability. She is of a kindly gentle disposition, and very painstaking in her work.

A number of our mission girls, some twelve or fifteen, were in attendance at her classes, and she won the respect and affection of them all. I believe her to be thoroughly conscientious as a teacher, taking an interest in each member of her class, and willing to give ungrudgingly to each the special guidance needed.

I regret that she is now leaving Ahmedabad and shall be glad to hear of her obtaining suitable employment in her chosen work of Education,

This is to certify that Miss M. C. E. Karney was a student in the Junior B. A. class of this College during 1892, and the senior B. A. class during 1893, and that she distinguished herself by her earnest devotion to her studies. She gained the 3rd prize in English in her Junior B. A. year and stood 3rd in English and 2nd in Latin for her senior B. A. year.

In January 1894 she appeared for the B. A. Degree Examination of the Madras University and passed the two Language Branches creditably. She failed in Science on account of her Practical Chemistry. But in the following year she attended the Central College for the Second Term and in January 1895 she passed the Science Branch with much credit, taking a second class. If she had been able to be with us for the whole of that year I have little doubt she would have stood very high in the University Physical Science pass list, for as it was she took the second place in our Second Term Science Examination of the senior B. A. class for 1894. Miss Karney was a model of regularity and attention to her studies, and I have no doubt if she devotes herself to teaching, as I understand she intends to do, that she will prove as conscientious and apt at teaching others as she was in learning.

This is to certify that Miss Maud C. E. Karney, was under my tuition preparing for the Higher Standard Examination in Gujarati, to be held before the Civil and Military examination Committee in July last. She knows Gujarati very well she is specially well up in translating pieces from Gujarati into English and from English into Gujarati (pieces from the History of the Sepoy War by Col. Mallison and the Arabian Nights Entertainments and the Gujarati Seventh Series and Balmitrá which is written in the Balbodh character.) She speaks Gujarati very fluently. Had she been allowed to appear for the examination I feel sure she would have a good figure on the list.
