S i r ,

In continuation of my letter Ref on Cur No. 2873 of 12 dated 25th July 1912, I have the honour to state that the Inspector of Schools, Fifth Circle, reports that at present there is a small private Elementary School, unaided and unrecognized, which is maintained by the Agricultural College staff and that the Principal of the college is in favour of ~~opening~~ a good Elementary school up to the third standard being opened by the Taluk Board within the college estate where he has promised to provide suitable accommodation temporarily for a year. The Inspector will take the necessary steps to have a Board school started in the college as soon as possible, out of the subsidy sanctioned for the district in G.O. No. 660 Educational dated 20th July 1912.

2. As regards the Forest College I am informed that it is now located in the Coimbatore Town and that it will be some

time before it is removed to the new buildings now under construction near the College of Agriculture. When this is done, the question of raising the Board school to the higher Elementary Standard might be considered.

SUBJECT.

Opening of a school for the children of
the employees in the Forest and Agricultural
Colleges at Coimbatore

N

Please see para 37 of Mrs. Lodge's report on
page 11 of G.O. no. 788 Rev. 16th March 1912.
Mrs. Lodge proposed that a school for the children
of the clerks and other employees of the Forest and
Agricultural Colleges should be opened near the
Thadagam road where the lands of the two colleges
meet. The D.P.I. to whom the proposal was
referred for remarks now reports that the
Forest College is now located in the Coimbatore
town and that a board school will soon be
opened out of the subsidy sanctioned in G.O. no.
660 Edl dated 20th July 1912 and will be temporarily
accommodated in the Agricultural College Compound.
The school will ^{apparently} be removed to the locality suggested
by Mrs. Lodge when the Forest College is removed
to the new buildings now under construction.

2. The Director's letter may be recorded with
the remark that when the school is opened, the fact
should be reported to Govt. A draft is submitted
for approval. The Rev. Dept. may see the file.

The Dt. Boardy Coimbatore
will have to consent to
the opening of a board school.
The subsidy sanctioned
Presumably the board
has been consulted.
