With reference to Judicial Department

Memorandum No.3158A-1 dated 10th August 1912, I have the honour to state that the sanctioned number of Sub-Inspectors for the City is 65 and it has been usual to fill this number by 33 European or Eurasian Sub-Inspectors and 32 Indian Sub-Inspectors as shown in the margin.

2. The actual strength of Sub-Inspectors in the City at present is only 61 including 6 Sub-Inspectors under training in the Provincial Training School, Vellore. Of these only 29 are Europeans or Eurasians and the rest are Indians. There are, therefore, four vacancies in the Sub-Inspectors grade to be filled up by Europeans or

Eurasians. Besides these, there are also three Sub protem vacancies vice three European Sub-Inspectors who are on deputa- tion in other districts and whose places are kept vacant pending their confirmation.

3. Applicant D'Gama will be 20 years of age when he joins the Provincial Training School during the next session. As he is, in my opinion, suitable for the appointment and much difficulty is experienced in getting qualified European or Eurasian candidates for employment as Sub-Inspectors, he was recommended for exemption.

Para 92 of the

The educational and other qualifications required from candidates for appointment as sub. inspectors of Police are contained in Pt 68, Vol I of the P.O. Book. Mr. D'Gama's age is 19, the minimum age prescribed is 21.

2. The Police Commission recommended that a reasonable proportion of Europeans should be employed in the Presidency towns as a considerable infusion of the European element will always be required for the preservation of order and for dealing with cases in which Europeans are

concerned. It will be observed from the correspondence in G.O. no. 1523 & 22.9.1905 that the minimum number of European sub-inspectors that are required for employment in the City Police is 23 -

21 for the 21 police station charges, 1 for the Marine Police and 1 for the harbour police. The total number of sub-inspectors in the City Police is ~~62~~ 62 of whom 30 are Europeans and Eurasians. Yet the Commissioner says that there are vacancies for European sub-inspectors. Perhaps there are vacancies in the station charges. If so, it is left to the Commissioner to transfer a ^{European} sub-inspector from the Hackney carriage establishment, the Intelligence Dept or the Prosecuting Agency. It is also a question for con-

sideration ~~if other one~~ whether, ~~after the~~ after the minimum number of European (or Eurasian) sub-inspectors has been secured, further recruitment should not be confined to persons who are qualified under the rules to hold such appointment.
