GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

G.O. No. 404, Educational, dated 10th May 1912.

ABSTRACT.—Passing orders on various questions relating to the education of Muhammadans.

II

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 6th August 1912.

No.—Cur. 6381.

With reference to paragraph 6 of G.O. No. 404, Educational, dated 10th May last, requesting to examine what amendment, if any, of the Grant-in-Aid Code is required to give effect to the Government resolution that half the amount of fee income foregone from Muhammadan pupils in accordance with rule 102 of the Madras Educational Rules shall be added to the teaching grant ordinarily admissible to a school, I have the honour to submit, for the approval of Government, a draft notification of a proviso that may be added to rule 32 of the Grant-in-Aid Code, and to request that, if it is approved, it may be published in the *Fort St. George Gazette*.

2. The order under reference deals with Muhammadan education and naturally refers to this question of reduced fees in relation to grant in connection with Muhammadans only. I presume, however, that the Government will be willing to extend the concession so as to apply to all classes and pupils who, in accordance with rule 102 of the Madras Educational Rules, are permitted to pay fees at less than standard rates, and I have drafted the notification accordingly.

3. It will be convenient to give effect to the change at once and to make the small extra amount required a first charge on the Rs. 80,000 referred to in G.O. No. 293, Educational, dated 4th April 1912.

ENCLOSURE.

Draft Notification.

The following proviso will be added to rule 32 of the Grant-in-Aid Code:—

“Provided that in the case of girls and of Muhammadan and Uriya pupils and pupils belonging to backward castes and classes attending schools under private management, half the amount of fee income foregone in accordance with rule 102 of the Madras Educational Rules may be added to the allotment ordinarily admissible.”

Order—No. 842, Educational, dated 17th September 1912.

Subject to verbal modifications the proposals of the Director of Public Instruction are approved, and the following notification will be published in the *Fort St. George Gazette*:—

NOTIFICATION.

The following proviso will be added to rule 32 of the Grant-in-Aid Code:—

“Provided that the allotment ordinarily admissible may be increased by half the amount of the fee income foregone under rule 102 of the Madras Educational Rules in respect of Muhammadans, Uriyas, girls and backward classes and castes.”

From the Director of Public Instruction, No. 6381, dated 6th August 1912.

Please see paragraph 6 of G.O. No. 404, Educational, dated 10th May 1911.

2. The Director of Public Instruction proposes to add a proviso to rule 32 of the Grant-in-Aid Code to give effect to the direction of Government that half the amount of fee income foregone in accordance with rule 102 of the Madras Educational Rules shall be added to the grant ordinarily admissible to a school, and considers that the concession should apply not only to Muhammadans but to Uriyas, girls and backward classes and castes who are permitted under rule 102 of the Education Rules to pay fees at half the standard rates. The Director's proposal is a natural consequence of the concession allowed to Muhammadans and may be approved.

3. A draft order is submitted for approval.

T.K.—14-8-12.

Attention is invited to paragraph 30 of Mr. Stone's letter No. 1440, dated 4th November 1911, which dealt with the representations of the Muhammadans. Page 17 of G.O. No. 404, Educational, dated 10th May 1912.

It was therein suggested that the Code "might contain a provision to take amount in assessing teaching grants for secondary schools, their attitude towards the education of *Muhammadans, Uriyas and other backward classes.*" It will thus appear that the intention was not to confine the concession only to Muhammadans but to make it applicable to all the backward classes and girls. The Director of Public Instruction's proposal in this respect in paragraph 2 of his letter may be approved.

4. As income of the school, including fees, is the basis for the assessment of grants only in respect of *secondary* schools, the amendment of rule 32 alone of the Code will be sufficient.

5. The proposal of the Director of Public Instruction to make the extra amount required a charge on the Imperial grant of Rs. 80,000 may also be accepted. The difference between the actual and standard rate of fees levied will form an important factor in determining the amount of enhanced grants. No idea has been given of the approximate amount needed for the purpose. The Director of Public Instruction, however, says it will be "small."

6. The draft may be sent to the Financial Department for acceptance.

C. RAMANUJACHARI—21-8-12.

Yes, please, before circulation to His Excellency the Governor.

I have revised the wording of the proviso so as to shorten it and bring it more nearly to the wording of Madras Educational Rules, rule 102.

L. DAVIDSON—22-8-12.

FINANCIAL DEPARTMENT.

Attention is solicited to paragraph 2 of the Financial Department note on page 14 of Notes to G.O. Nos. 404-5, Educational, dated 10th May 1912, in which the decision embodied in paragraph 6 of that Government Order that half the amount of fee income foregone from *Muhammadan* pupils under rule 102 of the Educational Rules should be added to the teaching grant of the school was accepted.

2. The amendments to the grant-in-aid now submitted by the Director of Public Instruction cover not only the case of Muhammadans above referred to, but also the case of Uriyas, girls and backward classes and castes who, like Muhammadans, are also entitled to the concession of half fees. The cost of the concession in paragraph

G.O. No. 293, Educational, dated 4th April 1912, and G.O. No. 477, Financial, dated 1st August 1912.

1 was estimated at about '02 lakh. The present proposal will further increase the cost; but the Director of Public Instruction considers the extra charge small and he proposes to meet the charge from the Government of India's grant of '80 lakh for English education.

3. The draft may, it is submitted, be accepted.

A.S.—31-8-12.

Perhaps, in the draft the Director of Public Instruction may be asked to ascertain and report to Government for information the approximate extra charge involved by the proposed amendment to the Grant-in-aid Code

We may accept the draft.
