The Lalay Hall.

The most important function of the year was the laying of the foundation stone of the "Lalay Hall" by Mr. Arthur Lalay on 3rd April 1911 when Mr. H. Lalay was also present. Much time was spent in the laying of the stone and the necessary preliminary work which it is hoped will be completed in the near future.

M. Hussain Sahib Bahadur.

We have pleasure in presenting the 28th Annual Report of the Anjuman for the year ending 31st March 1911 showing its work and progress during the year.

Annual Meeting.

The last Annual Meeting held on the 19th April 11 with the Hon'ble Mr. Justice J.E.P. Wallis in the Chair - and the Office bearers, the Standing Committee and the Executive Committee were elected for the year. The Hon'ble Mr. Justice J.E.P. Wallis was elected President, The Hon'ble Mr. Justice Abdur Raheem and Mr. J.C. Melony I.C.S. Vice Presidents, Messrs. Waljee Laljee Sait and A. Hameed Hasan Joint Secretaries, Mir Asad Ali Khan Bahadur, Treasurer & Mr. C.P. Ramaswamy Iyer B.A. B.L. Legal Advisor.

We have to express our regret that two of our Office bearers during the year viz., Mr. J.C. Melony and Mr. Waljee Laljee Sait have resigned their offices. Mr. Waljee Laljee Sait has been advised to resign on account of ill health. Mr. J.C. Melony has taken a warm and active interest in the affairs of the Anjuman and we cannot adequately express our gratitude to him for his sympathy and advice during the year. He was our Vice President. How truly devoted he was to the interests of the Institution, can be gauged from an extract of his letter when resigning office, in which he says "I need hardly say that my official connection with the Institution will not affect my continued interest in the good work which it is doing."

The Lawley Hall.

The most important function of the year was the laying of the foundation stone of the "Lawley Hall" by Sir Arthur Lawley on the 3rd April last when Mr. H.E. Lawley was also present. Much time during past year has necessarily been spent in complying with the necessary preliminaries such as the passing of the plans by P.W.D.

as incidental to our application for a Government Grant. The contract for the erection of the new building has been settled and signed, foundation works ^{will soon be} ~~are now~~ in progress and we hope and trust that our next Annual Meeting will be held in the new Hall.

Their Excellencies Visit.

Their Excellencies Lord and Lady Carmichael paid a visit to the Anjuman on the 6th February where they were received by the Hon'ble Mr. Justice Wallis, Mr. Justice Abdur Raheem, the Honorary Secretaries and the members of the Standing Committee. Their Excellencies inspected the various classes of the Anjuman and were pleased to make the following remarks in the Visitor's Book.

"Lady Carmichael and I visited the workshops and school today. We were very interested in all we saw. We were glad to notice that the boys seemed to be taking trouble in learning their work. Considering the difficulties which they have to encounter, I think the Managers of the Institution deserve great credit, and I hope when they get their new building they will do even more."

Committee Meetings.

During the year there were 21 meetings of the Standing Committee and the attendance of the members at the meeting was satisfactory.

Strength of the School.

The number of boys on the roll at the beginning of the year was 130 and 124 at the close the withdrawals were 67 and admission 61. The daily attendance during the year averaged 108.3 and as in previous years the average age of the boys is from 10 to 14.

Education.

Every boy under 14 years of age attends the school (literary branch) for two hours daily; and the boys who are found sufficiently intelligent are taught drawing for one hour daily.

Carpet weaving Elementary Grade.

Carpet weaving Intermediate Grade.

----	----	------	------------

These results are fair as one boy in each department secured a 1st Class pass - and the only boy who passed the Cabinet making Examination Elementary Grade in the first class out of the whole Presidency hails from the Anjuman.

Mr. Melony's subscription scheme

In the ^{last} Annual Report Mr. Melony suggested a scheme of realising subscriptions by dividing it into shares of certain fixed amounts to be paid once and for all. We sincerely regret that we were unable to introduce it as the majority of our subscribers and members preferred to pay their subscriptions monthly and not in lump sums as suggested by Mr. Melony.

Receipt.

Our total income for the year was 11,146-0-9 as follows:-

Government grant Rs. 5,000/-, Subscriptions and donations Rs. 4318-11-11, Rent received Rs. 780/-, Interest on Government paper Rs. 350-14-8, profit on carpentry Rs. 314-7-8 and on carpets 381-15-4.

Sales of Carpentry Rs. 2768-0-0, Sales of Carpets Rs. 2283-0-2, compared with the sales of Carpentry Rs. 2650-15-0 and carpets --- Rs. 1418-10-0 of the year 1910 - 11.

Expenditure .

General Technical education including Scholarship and Exam fees granted to the boys cost the Anjuman Rs. 3421-14-8. The feed expenses of the boys amounted to Rs. 1533-6-10. The contingent expenses such as Municipal taxes, building repairs, printing reports, stationery and postage etc., Rs. 1001-8-0. The Anjuman spent a sum of Rs. 3615/- on the salaries of the Manager, Office establishment and Auditors fees. On the whole we were able to transfer to the balance sheet as our profit a sum of Rs. 1460-2-0.

The Late Sir S. Ramaswamy Mudaliar.

In the death of Rajah Sir Ramaswamy Mudaliar Kt. C.I.E., the Anjuman has lost one of its warm hearted Vice Patrons and a well wisher of the community. The late Rajah bequeathed a sum of Rs. 2000/- to the Anjuman to be invested as a capital fund and we are thankful to his son for having paid us this generous gift. This donation came to us as godsend when we were in urgent need of funds and we can assure his son that the wishes of the testator will be carried out by the Anjuman by investing the sum in Government securities.

Conclusion.

In concluding this report we beg to express our gratitude to the Hon'ble Mr. Justice Wallis and the Hon'ble Mr. Justice Abdur Raheem for the warm interest they are taking in the work and progress of this Institution.

Note. During 1911-12, subscriptions & donations amounted to Rs 4318-11-11 - page 10 of current file - as against the minimum of Rs 3000 fixed in go. 642, dated 14th September 1911, & go. 77. 22. 87 12.2.03.

The annual report ^{of the Government} for 1911-12 does not give the final opinion of the Superintendent of Technical schools on the working of the Ayazman though on page 9 of his suggestions & recommendations are exhausted.

The annual report ~~of the~~ on industrial education for the year is also silent on this point. Please see however the Supt's remarks on page 5 of go. 765 22. 8. 12. Apparently the Supt. has no unfavourable report to make of the Ayazman.
