27th June 1912.

To

The Under Secretary of State

India Office.

Sir,

I have in the interests of the Educational Service to which I belong in India taken leave for twelve months to train at Cherwell Hall, Oxford, and have used the leave of absence for good purpose since I have already qualified in the Practical part of the Cambridge Diploma Examination and await the results of the Theoretical Test.

As my leave will have expired on the 4th September, I am asking for an extension in order to qualify for the Higher Cambridge Examination and to pass with honours in two branches which is recognised as a Degree.

I am forced to do this as I cannot afford to spend two years in Oxford to qualify for the B.A. degree de facto. In fact I cannot afford to stay

the

the extra 4 months required to qualify for the equivalent to the B.A. degree (4th September - 4th January) especially as I will get no pay for this period when on extraordinary leave.

The Principal of this College has very kindly recognised the difficulty and has secured for me the help of the Society for the promotion of the Employment of Women who have agreed to pay my College fees. My difficulty is now to cover my living expenses in this College which will amount to £15. I ask the help of the India Office in this matter and as the whole of my expenditure is in the interests of the Government Service, I shall be glad if the necessary advance of money be given to the Principal of my College who will disburse it.

I, on my part, agree to refund the amount as a first charge on my income on return to India. That is, the Accountant General there will recover the advance

advance in twenty instalments from my monthly salary.

I recognise that I have no claim upon the India Office having acted entirely upon my own initiative in the matter of this valuable Oxford training for the interests of my service but I would ask the favour of the assistance desired as a special case.

Trusting you will excuse all this trouble.

I have etc.

Madam,

With reference to your letter of 27th June asking for an advance of £15 to enable you to remain in this country on leave without allowances in order to qualify for an examination which is recognised as a degree, I am directed to request that you will specify more definitely what examination you wish to take and how much time would be required to enable you to do so.

I am also to enquire whether the Cambridge Diploma examination for which you have been studying is the examination organised by the Cambridge Teachers' Syndicate and whether you have yet heard the result of the theoretical as well as of the practical part of the examination.

I am, Madam,

Your obedient Servant,

(S'd) E. J. TURNER.

To
The Under Secretary of State
for India

Sir,

15/5/12
In reply to your letter No. J. & P. 2378 of 5th
instant, I have the honour to state that the
examination I wish to appear for is the Cambridge
Higher Local and I shall require six months to qualify.
I have already started and shall appear for the
examination in December.

I may mention that if I pass with honours in
two groups of the four comprising the Cambridge Higher
Local Examination, it ranks as an equivalent to the
B.A. degree.

The examination for which I have already
appeared is the Cambridge Teachers' Diploma organised
by the Teachers' Cambridge Syndicate. I have passed
the Practical Test. The Theoretical results will only
be known on 7th August.

I shall be thankful if you will oblige me with a very early reply, since I must make arrangements to leave England at once if you are unable to accede to my request as I must join my duties in India on 5th September. In addition my passage back is booked by a very slow line of steamers which must curtail my stay in England.

On the other hand if you accede to my request I must have time to secure additional leave.

As I am in London at present, would you very kindly permit an interview to save time, for which I shall feel much obliged.

I have etc.,

NOTES.

C. No. 2435 From the India Office No. 2440 dated 16. 8. 1912

Page 3 of C.F.

The Home Govt. has made an advance of £15- or Rs 225 to Miss M.C. Chatterton who is now on leave in England. Miss Chatterton is the 2nd asst., English Training Section, Presidency Training School for mistresses, Madras, pay being Rs 100-5-125. She has agreed to refund the amount advanced to her on return to India in twenty instalments. Under art. 64(C) of the C.S.R. advances made by the Home Govt. ^{to officers on first appointment or leave} are to be recovered by monthly instalments of one-third of salary. In the present case the India office suggests that the advance may be recovered "in the manner proposed by her or in such small instalments as may appear suitable". As Miss Chatterton's pay is only Rs 100 the advance may perhaps be recovered in 20⁺ instalments as desired by her, that is, at the rate of Rs 11-4-0 per mensem. If this is accepted, the draft order placed below is for approval. If approved, it may issue with the concurrence of the Financial Dept.

† Under the rules issued under article 64 of the C.S.R. the local Govt. can reduce instalments - pages 11 & 12 of Madras Supplement to C.S.R.
