In answer to question no. 37 asked by the Honble Mr. Ramachandra Rao at the meeting of the Leg. Council held on the 14th February last (not 12th Feb.) the Govt said that on receipt ^{from the D.P.I.} of the draft programme for the expansion of female education they would consider the advisability of appointing a committee to report on it. The draft programme from the D.P.I. was received in June last and sent to the Financial Dept. for remarks on the 8th July last. It has not returned back. The question whether a committee should be appointed to consider the programme was raised in that file, and the Secretary observed that the consideration of the programme by a committee was unnecessary. 2. The Financial Dept. may be requested to return the file ~~immediately~~.

78
18-9-12 In the arrears list, the Secretary has noted that the D.P.I. contemplates an expansion of the programme and has directed office to bring the file to him as soon as it returns from Financial. In these circumstances, it may not be advisable to place the programme already submitted on the table. Perhaps the following answer may be given:—

"The ~~D.P.I.~~ D.P.I. contemplates an revision of the programme for the development of female education, which he has already

"Submitted to Govt. when the revised proposals are received, the question of laying them on the table will be considered."

H.E. the Governor.

I should prefer to say

Proposals have been received from the Dist. Dist. Directors and are now under consideration of Govt. examination. The Govt. are not prepared to lay the papers on the table at this stage.

(I do not think it would be proper to publish a programme prepared for the information of the Govt. of India without some reference to that authority)

We particularly wish to keep people like the M. L. A. in touch with us in this matter. There are no questions at present upon which there is any serious difference of opinion between the Officials & non Officials - and I think we shall do all we can to show our sympathy with the desire for information on the subject. The whole question with no doubt be raised

They are with the Proposals of the D.P. They are the suggestion of the Inspectors - Mr

when the Budget is discussed - & we shall
then have to give all our figures. It
means no doubt that nothing to be gained
by publishing the very rough figures we
have - & we must refuse to give them.
The following is the copy I would give -

~~Approximate figures~~
~~These are the figures for~~
~~the year ending 31st March 1912~~
~~and are not to be taken as~~
~~final figures.~~

" The Director of Public Instruction has submitted
to Govt a list of ^{suggested} projects of the amount of Rs. 10 lakhs
showing the annually recurring expenditure
incurred at the end of ten years & the
non-recurring expenditure to be met during
the same period - ~~the suggestions are not~~
~~being considered by Government and~~
~~under the consideration of Government.~~
The Govt of India will be strongly advised
upon the matter. ~~Under the Govt.~~
~~It cannot at present lay the papers~~
on the table.
