Sir,

I have the honour to submit, for reference and favour of return, the enclosed six indents received from the Principal Teachers' College, Saidapet and to state that the books and equipment indented for are very necessary.

2. In the budget estimate of the College for the current year, there is a provision of Rs. 3,000/- only, to meet the cost of Europe Stores, books and maps, furniture, and other laboratory charges. Out of this, a sum of Rs. 780/- has been already utilized in paying the cost of books supplied to the College last year. Further, the cost of Europe Stores already indented for (Vide this office Dis. No. 2048/12, dated 21st March 1912) Viz., Rs. 2,986-11-0 or Rs. 2,987/- in round numbers has also to be met, during the current year. An

3. I cannot, at present, point out any source from which the proposed additional expenditure can be met. Doubtless, there will be savings somewhere, but, before the necessary information becomes available, it will be too late to take action on the indents. As the Principals' proposals are important,

I request that Government will be pleased to sanction the sum of Rs. 12,100/- as a special case from the funds at their disposal.

Sir,

A | I have the honour to inform you that a Committee of the College Council appointed to consider the existing provision of books of reference in the college Library, have found the provision incomplete and have submitted a list of reference books which in their opinion should be added at once to the Library.

The cost of the books thus proposed is £ 95-0-2 and with freight, it would amount to approximately £100. Rs. 1500.

It seems very desirable to add to the Library in the manner proposed by the Committee, but at the same time I cannot point out any source from which the cost may be met I accordingly request that a sum of Rs. 1,500 may be transferred to the College from any savings at your disposal and that the books in the accompanying list may be purchased therewith.

2. The books, if the purchase is sanctioned, may be obtained from Mr. B.H. Blackwell of Oxford who may be instructed to consign them to the Agent for Government Consignments.

(2) Again, during the past year, the work and courses both of the practising and of the training sections of the College have been undergoing a thorough reorganization. The necessary changes and improvements in the appliances and furniture could not be proposed immediately as they

(3) Further I have the honour to state that the indent for furniture is, in a large measure, the result of a visit paid to the College in January 1912, by His Excellency the Governor who suggested to the Director the desirability of taking early steps to improve the furniture.

SUBJECT. Application for an additional allotment of Rs 12,000 required for equipment of the Teachers' College, Saidapet.

The S.P.D. applies for an additional allotment of Rs 12,000 required for the Teachers' College, Saidapet, for expenditure on the following objects :-

1. Furniture Rs. 3448-11-4.
2. Apparatus + instruments for Geography Section £ 9-19-3.

4. Europe stores for Physical Science Laboratory £ 199-17-8.

6. Books £ 76-18-11.

Total of items 2 to 6 = £ 500-14-2½

Grand total Rs. 10,960 in round figures

It is also pointed out that an additional sum of Rs 1,117 is required over and above the budget provision of Rs 3,000 in the current year on account of articles already indentured for. The total additional grant now required is thus Rs 10,960 + Rs 1,117 or Rs 12,077 or Rs 12,100 in round figures.

2. In this connection, attention is invited to the fact that in 1911-12 Govt. of India specified that a sum of Rs 12,000 might be spent out of the Imperial grant of Rs 6,57,000 on the equipment

of the Teachers' College. Though this amount was not included in the portion of the Imperial grant allotted for actual expenditure in that year, a sum of Rs 13,000 had, ~~at that time~~ prior to the assignment of the foot. of India, been provided for the same object from Provincial revenues. In connection with a separate file relating to a call from the foot. of India for information as to the expenditure from Imperial grants, it is proposed to take the latter expenditure from Prov. funds in fulfilment of the foot. of India's grant. Financial have not objected to this proposal. A separate allotment for the purpose of the present application is therefore necessary.

3 As the D.P.I. considers the expenditure proposed "very necessary", Financial may be asked to sanction the addl. allotment.

4 It is not clear whether the grant made in 1911-12 was actually expended on the objects for which it was intended. The original sum of Rs 13,000 provided in the C.B.E. was for

(i) Cost of equipping & fitting up a physical and a chemical and natural science laboratories	Rs 8,000
(ii) Cost of gas plant required to meet the requirements of the new University regulations	5,000
	<u>13,000</u>

The ~~present~~ objects for which the Imperial grant was applied for were the same as above.

Please see item (4) in the statement on page 2 of the notes with fo. no. 52. Ed. dated 30th

January 1911. It ~~is~~ nowhere stated that this ~~is~~ the first instalment of requirements for the equipment of the College.

5 The present proposals, however, differ from the above objects in that they include provision

for (a) furniture for the physical ~~and~~ and natural science, history and geography sections besides for other miscellaneous purposes,

(b) apparatus and instruments for the geography section, and

(c) books.

The proposals relating to the stores for the physical and natural science sections do not include any provision for ~~oil~~ ~~gas~~ gas plant. Probably the plant ~~has been~~ was secured last year.

6 The report on the Teachers' College for 11-12 does not ^{also} show clearly whether the apparatus and plant intended to be purchased out of the Imperial grant of 1911-12 were actually procured. Para. 14 states that "considerable additions were made to the furniture, apparatus and appliances;" but the financial statement showing the receipts and charges on account of the College in 1911-12 does not show any unusual and large outlay ~~on the~~ under these heads.

Financial Department.

The special grant of Rs. 12,000 which this Govt. asked from the Govt. of India last year in respect of the Teacher's College at Saidapet and which was given accordingly from Imperial funds was intended for the following objects:-

	Estimated cost. Rs.
(1) Gas plant and rotary pump required for the College..	5,000
(2) Science equipment for the physical, chemical, and natural science laboratories.	7,000
	<u>12,000</u>

The Govt. provided in the budget for last year a sum of Rs. 13,000 which was the amount originally asked for by the D.P.I. for the foregoing objects. No expenditure was incurred on item (1) in 1911-12, and as regards item (2) above, a charge of only Rs. 5,092 was incurred. The balance out of the provision of Rs. 13,000 was diverted for other objects.

2. According to the principles regulating expenditure out of Imperial ear-marked grants, this Govt. should incur an expenditure of at least Rs. (12,000 - 5,092 =) 6,908 in the current year on the objects specified in para 1 above, and this department

3. The D.P.I. has, however, taken the opportunity to apply for an increased allotment for the current year for (1) books and maps (2) furniture and (3) laboratory charges. The D.P.I. states that the books etc. indented for are very necessary and, as he has no savings, he applies for an additional

allotment of Rs. ^{12,100} ~~12,000~~ "as a special case" to meet these charges, which is inclusive of the balance (Rs. 6,908) of the Imperial grant referred to in para 2.

4. In the case of the Stores to be obtained by indent on the India Office the cost comes to about Rs. 9,200 and exceeds the limit of Rs. 6,908 referred to in para 2 ante. It is for orders whether the excess may be sanctioned. If so, there is no necessity for an immediate allotment of this sum, as adjustment on account of these charges has to be made in the A.G.'s books only after payment has been made by the India Office and intimated here. If by that time the D.P.I. is not able to reappropriate for this charge from his savings, ~~and~~ an additional allotment may be made by Financial.

* The provision in the budget for these 3 items and for Europe stores is Rs 2,400. The D.P.I. seems to have reappropriated a further sum of Rs 600 from his savings and he refers to the total from as Rs 3000.

pages 10 and 11. It may be forwarded to the Financial Dept. with reference to the Chief Secretary's remarks on page 8 ante. The omission to foresee the expenditure and to provide ^(for it) in the budget appears to have been satisfactorily explained by the Director. The Finl Dept. may be requested to sanction the additional allotment of Rs 13,600 (Rs 12,100 for the Teachers' College and Rs 1,500 for the Presidency College) from the lump provision of Rs 1,50,000 for the establishment of model high schools in the C.B.E. for 1912-13.

2. The D.P.I. has also forwarded an application from the Principal of the Presidency College for purchase of books costing about Rs 1,500.

3. It is for orders whether the total expenditure of Rs (12,100 + 1,500 =) 13,600 may be sanctioned.

4. Provision of funds: The D.P.I. proposes to meet the total expenditure of Rs 13,600 referred to above from the lump provision of 1.50 lakhs in the budget for Model Schools. In respect of stores to be obtained from Europe, there is, as already pointed out by this dept., no immediate necessity for an allotment. As regards other items of expenditure there is, it is submitted, no objection to the reappropriation proposed.

Though some of the articles proposed to be purchased are apparently not urgently required yet it is submitted that they are said to be very necessary and therefore they will have to be purchased before long even if their purchase is put off for the present. The latter course also cannot be expected to result in any gain to Govt. The fact that funds can be found without difficulty appears to be a point in favour of sanctioning the D.P.'s proposals at once. Orders are solicited as to whether the proposals may be approved.

The Teachers' College. It is for consideration whether that amount and the amount of Rs 1,500 (= Rs 4,400) required for the Presidency College alone may now be sanctioned and the D.P.S. informed that application for the reappropriation of funds required to meet the cost of Europe stores³ required for the Teachers' College may be renewed when the time comes for its adjustment in the A.G.'s books.

PP
23.9.12 This seems the best course. - an attempt to discriminate between items recently received & those to which there is no remedy cannot be satisfactory matter to the Secretariat. Reference to the D.P.S. will be necessary & that hardly seems desirable. It will, I think, suffice to say in the order that only ^{really} urgent requirements should have been included in these demands. But His Excellency's order must be taken.
