READ—the following paper :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 3rd September 1912.
No.—7148-C.

I have the honour to request the sanction of Government to an expenditure of Rs. 7,000 out of the Imperial grant of Rs. 87,000 allotted for female education during the current year towards the payment of special grants to aided training schools for mistresses in this Presidency for the purpose of increasing their furniture, apparatus and appliances. On receipt of the sanction of Government to this proposal I intend to distribute the amount among the schools according to their requirements in consultation with the Inspectresses of Girls' schools and to authorize the correspondents to draw the grants sanctioned for their schools on bills countersigned by the Inspectress of the Circle subject to the conditions that the objects upon which the money is to be spent are approved by the Inspectress prior to actual expenditure of the amount and that the vouchers in support of the expenditure are submitted to them for scrutiny.

2. It is requested that early orders may be passed on this proposal so as to enable the correspondents to draw and utilise the money before the close of the current official year.

Order—No. 924, Educational, dated 18th October 1912.

The Government sanction an expenditure of Rs. 7,000 towards the payment of special grants to aided training schools for mistresses to enable them to increase their supply of furniture, apparatus and appliances.

2. Further orders will issue in the Financial Department regarding the provision of funds.

From the Director of Public Instruction, dated 3rd September 1912, No. 7148.

The Director of Public Instruction requests sanction to an expenditure of Rs. 7,000 towards the payment of special grants to aided training schools for mistresses in order to enable them to increase their supply of furniture, apparatus and appliances.

2. The details of the grants are not given, but the Director says that he will distribute the amount among the schools according to their requirements in consultation with the Inspectresses of Girls' Schools. The grants will be paid in advance on condition that they are spent on objects approved by the Inspectresses and that vouchers in support of their expenditure are submitted in due course for scrutiny.

G.O. No. 261, Educational, dated 20th March 1912. Apparently the grants are to be outside the Grant-in-Aid Code. As similar grants are being paid to secondary schools, the proposal of the Director of Public Instruction may be approved.

3. The Director further proposes that the expenditure should be met from the Imperial grant of Rs. 87,000 for female education. Out of this grant the following appropriations have been sanctioned up to date :—

	RS.
G.O. No. 505, Educational, dated 10th June 1912. (1) Increased number of scholarships for girls ..	10,000
G.O. No. 683, Educational, dated 26th July 1912. (2) Equipment of Government girls' schools ..	22,000
G.O. No. 804, Educational, dated 3rd September 1912. (3) Secondary schools for girls in Vizagapatam ..	11,000
(4) Elementary school for Muhammadan girls at Ellore..	909
Total ..	43,909

In addition to this there is also a proposal to utilize a sum of Rs. 1,770 for the purchase of furniture for the Hobart Training School for Mistresses. Deducting all these amounts there will be sufficient fund left to meet the proposed expenditure.

K It may be noted that in their telegram, dated 18th instant, the Government of India have sanctioned the allotment of the balance of four lakhs from the Imperial grant for expenditure during the current year.

4. A draft is submitted for approval. If approved, it may issue with the concurrence of the Financial Department.

The draft may, it is submitted, be accepted.

2. As regards the question of provision of funds, the Educational Department state—*vide* at K above—that the Government of India have allotted the balance of the Imperial grant of four lakhs. If so the expenditure now in question can be met from this source. The file regarding Government of India's telegram referred to by Educational has since been received in Financial and it appears doubtful.

The Government of India say "will be sanctioned."

whether the Government of India's orders will bear the construction put on them by Educational. This is being examined separately. This file may, it is submitted, be returned to Educational.
