NOTES CONNECTED WITH G.O. No. 925, EDUCATIONAL, DATED
18TH OCTOBER 1912.

[SUBJECT.—*Further Imperial grant of Rs. 30,000 for education of domiciled community in the City of Madras.*]

Telegram—from the Joint Secretary to the Government of India, Department of Education (Education).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 24th September 1912.

No.—2180.

Government of India are willing to give from Coronation Darbar grant of rupees fifty lakhs, in addition to allotments already made, a recurring sum of rupees thirty thousand *per annum* for extending education among the poorer classes of the domiciled community through the agency of private orphanages and other institutions of the different denominations in the City of Madras. Government of India would be glad to know whether Governor in Council considers that this sum could usefully be expended. If so money will be granted forthwith on receipt of telegraphic reply.

Submitted to His Excellency for perusal. The original has been referred to the Director of Public Instruction for remarks.

L. DAVIDSON—24-9-12.

Excellent. These orphanages including Adyar Orphanage much need money.

M. H[AMMICK]—26-9-12.

To the Director of Public Instruction for remarks.

L. DAVIDSON—24-9-12.

The matter was discussed at the recent Simla Conference.

There will be no difficulty in expending the money usefully. This ought to enable us to give some education to every member of the community in Madras.

"City of Madras" may of course include South Adyar and any similarly situated area if such exists. The bulk of the money will be wanted for boarding grants and this will entail extra building. I will at once institute enquiries and probably get the Inspector to hold a conference of the managers and others concerned and have enquiries made as to how best to get hold of all the children hitherto neglected.

I can easily formulate special proposals for the current year.

I shall make every endeavour to secure that this grant does not replace money hitherto given from private sources but this will of course be the danger.

A. G. BOURNE—24-9-12.

Submitted that the following telegraphic reply may be sent to India :—

"No. 46. Your telegram 2180, 24th ultimo. If approved, it may be sent to Financial for acceptance. A copy of the telegram has already been sent to Financial for information in advance.
