GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 5th October 1912.

No.—C. 7994.

Under rule 6 of the Grant-in-Aid Code, grants towards stipends in training institutions under private management are sanctionable by the Director. At present, the selection of students is made by the heads of the above institutions with reference to the provisions of Chapter X of the Madras Educational Rules. The inspectors and inspectresses obtain all applications for stipendiary grants in their respective circles and submit them after scrutiny to the Director with their recommendations. No advantage is gained by, and no necessity exists for, such grants being sanctioned by the Director, as the only check that is now exercised in this office, is to see that the budget allotment is not exceeded. In view of the fact that the rules governing the grant of aid towards stipends are clear and that inspectors and inspectresses have been empowered to sanction stipends in Government training schools in their respective circles, I have the honour to request that the power of sanctioning stipendiary grants in training schools for masters and mistresses may be delegated to the above officers. The proposal, if sanctioned, would obviate a considerable amount of unnecessary correspondence. It would, however, involve the allotment of a certain amount out of the budget provision for stipendiary grants to each of the inspectors and inspectresses, and this work, I beg to submit, will be done in my office with reference to the actuals of previous years.

Order—No. 952, Educational, dated 30th October 1912.

The Government approve the proposal of the Director of Public Instruction to delegate to inspectors and inspectresses of schools his power to sanction the payment of grants towards stipends in training schools for masters and mistresses.

2. The Director of Public Instruction will be requested to submit for the approval of Government a draft of the consequential alterations to be made in the Grant-in-Aid Code.

NOTES CONNECTED WITH G.O. No. 952, EDUCATIONAL, DATED
30TH OCTOBER 1912.

[SUBJECT.—*Delegation of powers.*]

From the Director of Public Instruction, No. 7794-C., dated 5th October 1912.

In G.O. No. 667, Educational, dated 29th October 1912, the Government sanctioned the delegation to inspectors and inspectresses of schools of the power to sanction stipends in the training schools in their respective circles with reference to the budget provision for each school. The Director of Public Instruction now proposes that the power of sanctioning stipendiary grants to *aided* training schools may also be delegated to these officers. In the circumstances explained by the Director his proposal may, it is submitted, be approved.

2. The power of sanctioning stipends is now exercised by the Inspector of Training schools in the case of Government training schools for masters. It is not known whether the power that is now proposed to be delegated to inspectors will also be exercised by the same officer. Apparently if the power is delegated to inspectors it can be exercised by the Inspector of European and Training schools also.

The draft should be worded so as to make this clear.

L. DAVIDSON.

3. A draft order is placed below for approval.

S.K.—25-10-12.

C. RAMANUJACHARI—25-10-12.

Please revise the draft so as briefly to indicate the substance of the order.

Will not article 6 of the code require revision. If so, the draft should refer to the point.

L. DAVIDSON—26-10-12.

A revised draft is submitted for approval.

2. With reference to the Secretary's marginal note above, the word "inspectors" has been used in the draft so as to include the inspector of training schools also.

3. Paragraph 2 of the draft has been added calling on the Director of Public Instruction to submit draft of the amendments necessary in the code. Besides article 6, it may be necessary to amend article 47 specifically to provide for the sanctioning of grants by inspectors. It does not seem to be desirable to derive authority for these purposes from article 6, which is more intended to differentiate between the sanctioning authorities for grants from *Provincial* and *Local funds*. As a matter of fact powers have been delegated to inspectors to sanction grants from Provincial funds without alteration in article 6. Please compare G.O. 410, Educational, dated 13th May 1912. Perhaps it may be taken that "the Director of Public Instruction" in article 6 stands for his department and includes his subordinates. When the Director of Public Instruction submits the draft amendment, it may be better to take that opportunity to insert the words "or by his subordinates where specially authorized" after "Director" in article 6.
