From (Name) The Hon. Mr. A.G. BOURNE, D.Sc., F.R.S., C.I.E.

(Designation) Director of Public Instruction, Madras.

To the Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the supply to the Law College of the periodicals mentioned in the enclosed list received from the acting Principal of the College. The University Inspection Commission of 1910 have remarked that "with the exception of one each of the "Indian and English Law Reports, no legal periodicals are "procured for the students and that at least two sets of "the Indian Law Reports should be obtained and a few of "the best periodicals should be purchased for the use of "the students in the proposed college reading room". Dr. Swaminathan himself, a member of the Commission, now recommends the immediate supply of the legal periodicals noted in the list submitted herewith. The strength of the College is nearly 600 this year and it is reported that

By Mr. A. G. Bourne

large numbers of students are making good use of the Reading Room.

2. I request also that the marginally noted periodicals which are at present being supplied to the College, may be discontinued as the acting Principal reports that they are out of place in a Law College Library and are not much used by the students.

I have the honour to be,
Sir,

Your most obedient servant,

R. A. Griue

The list prepared by Dr. Swaminathan contains 19 periodicals roughly estimated to cost Rs 568 per annum. He proposes to discontinue the supply of three periodicals which the college is now receiving, namely, the "New Reformer", the "Wednesday Review" and the "Indian Antiquary". The last two of these were supplied to the college more for the purpose of patronizing them than for their use to the college. Their discontinuance may now be approved. Probably the D.P.O. has satisfied himself that the periodicals mentioned are a useful addition to the reading room. Their supply may also be sanctioned.

2. It is assumed that on receipt of orders sanctioning the supply of the periodicals provision will be made in the next budget for the charge.

3. A draft order is submitted for approval.

If the total number of copies of the Indian Antiquary has been fixed with a definite object, it may be necessary to transfer the copy which the Law College now receives to some other institution, without discontinuing it altogether.
