NOTES CONNECTED WITH G.O. No. 996, EDUCATIONAL, DATED 12TH NOVEMBER 1912.

[SUBJECT.—*Alterations in the rules of the College of Engineering and the Law College.*]

From the Director of Public Instruction, dated 21st September 1912,
No. A.O.C. 6370/11.

In G.O. No. 567, Educational, dated 28th June 1912, the Government sanctioned the delegation (i) to the Principal of the College of Engineering of the power to sanction (a) the exemption of candidates from age rules for admission to the

College and (b) the award of scholarships granted under the rules of the College and (ii) to the Principal of the Law College the power to sanction the award of scholarships granted under the rules of that College. The Director of Public Instruction submits drafts of the alterations in the rules of the two Colleges rendered necessary in consequence of the delegations sanctioned in these respects. The delegation affects rules

For the existing rules 35, 38, 60 and 62 of the Engineering College rules, please see G.O. No. 451, Educational, dated 8th July 1911.
For rules 50 and 55 see G.O. No. 857, Educational, dated 5th December 1911.
For rules 28 and 31 of the Law College rules please see G.O. No. 677, Educational, dated 26th September 1911.

35, 38, 50, 55, 60 and 62 of the rules of the College of Engineering and rules 28 and 31 of the rules of the Law College; and the verbal alterations made by the Director of Public Instruction in these rules have been underlined in the rules. The Director of Public Instruction has inserted a sentence, viz., "The above scholarships

"are tenable in each case for one year" in rules 50, 55, 60 and 62 of the rules of the College of Engineering with a view to make it clear that the scholarships in the College are tenable in each case for one year only. In rule 50 it is stated that at the commencement of the first year the scholarships will be granted by the Principal at his discretion and at the beginning of the third and fourth years the scholarships will be awarded on the results of the sessional examinations. It is not specified how the scholarships will be awarded at the beginning of the *second* year. As the scholarships are tenable in each case only for one year, the scholarships granted by the Principal at his discretion at the beginning of the first year will not be continued to the holders thereof during the second year. But apparently the scholarships in the second year also will be awarded by the Principal at his discretion. If this be the Director of Public Instruction's intention, it will perhaps be better to make it clear by altering the second sentence of the rule thus:—"At the commencement of

Submitted that this may be adopted.

C. RAMANUJACHARI—18-10-12.

A "the first and second years of the course the scholarships will be granted by the Principal at his discretion."

2. Rule 60 deals with scholarships in the lower subordinate class. As the course of instruction in this class extends over only one year, the addition to this rule of the sentence "The above scholarships are tenable in each case for one year"—is perhaps unnecessary and the sentence may, it is submitted, be omitted from this rule.

There seems to be no harm in the retention of the sentence.

In the Law College rules, though the B. L. course is only for one year, a similar sentence regarding the scholarships available for the students of that class is inserted. Please see rule 29 on page 4 of G.O. No. 677, Educational, dated 26th September 1911.

The sentence may be useful in conveying the meaning that the scholarship will be tenable for the whole year.

C.R.—18-10-12.

For the existing proviso to rule 500 please see G.O. No. 857, Educational, dated 5th December 1911.

Submitted: yes.

C.R.—18-10-12.

For the provisos to rules 55, 60 and 62 please see G.O. No. 507, Educational, dated 11th June 1912.

For the existing rule 61 please see page 17 of G.O. No. 451, Educational, dated 8th July 1911.

It may be omitted in the notification.
C.R.—18-10-12.

5 If these suggestions are approved, the draft rules may be modified accordingly and published. Subject to approval a draft order is placed below.

S.K.—8-10-12.

C. RAMANUJA CHARI—18-10-12.

Let Director of Public Instruction see u.o. with reference to A on the previous page.

T. E. MOIR—19-10-12.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

The Principal, College of Engineering, says that it was intended to let the scholarships run for two years—first and second. He suggests as the best emendation to make the rule read:—"At the beginning of the second, third and fourth years they will be awarded to the two students who obtained the highest marks at the sessional examinations", and I agree with him.

J. H. STONE—24-10-12.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

With reference to the revised rule suggested in the Director of Public Instruction's note above, it is submitted that sessional examinations are held only at the end of the second and third years and there is no such examination at the end of the first year. It is not therefore clear

how the scholarships in the second year can be awarded on the results of the sessional examination. The intention of the Principal is perhaps that the scholarships in the second year should be awarded on the results of any terminal examination that may be held at the end of the first year. The Director of Public Instruction

C.R.—1-11-12.

may be requested to explain this.

S.K.—1-11-12.

If the intention is to run the scholarship for two years without basing it on any specific examination, the amendment proposed by the office originally may meet the case.

C. RAMANUJACHARI—1-11-12.

I am afraid this must go back to the Director of Public Instruction again. The wording suggested at page 2 obviously will not do, since under rule 13 the first sessional examination seems to be held at the end of the second year.

L. DAVIDSON—2-11-12.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

The Principal now suggests the insertion of the following sentence:—

"At the beginning of the second year they will be awarded to the students who obtain the highest number of marks during the first year."

This would follow the words "by the Principal at his discretion" in revised rule 50. The marks would be given both for practical work and examinations.

J. H. STONE—7-11-12.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Submitted that the addition of the sentence now suggested by the Principal of the College of Engineering may be approved and the sentence inserted in rule 50.

2. The rules as thus modified may be published and the draft order already approved (by the Deputy Secretary) may now issue.

S.K.—10-11-12.

C. RAMANUJACHARI—10-11-12.

It won't do to have in consecutive sentences—

- (a) "the students who obtain", and
- (b) "the two students who obtained".

The wording must be uniform and the two sentences may be amalgamated and follow, separated only by a semi-colon, the preceding sentence, thus:—

"At . . . first year . . . discretion; at the commencement of the second year they will be awarded to the students who obtain the highest number of marks during the first year, and at the beginning of the third and fourth years to the students who stand highest at the sessional examinations."

2. Publish as modified, after checking the proof carefully.
