the Accountant - General)

Sir,

I have the honour to request that you will be so
good as to obtain the sanction of Government for the employ-
ment of a gardener on Rs. 5-8-0 per mensem in the School of
Commerce, Calicut, with effect from 1st April 1910. Under a
misapprehension the Headmaster has been keeping without the
sanction of Government a gardener on Rs. 5-8-0 per mensem
from the above date and paying him from the provision of
Rs. 66/- made for gardening charges under contingencies in
the school budget. The charge will continue to be met from
the above source.

I have the honour to be, Sir,
Your most obedient servant,

G. Krishnaswami

Educational Department.

Sir,

With reference to Government Memorandum No. 2316-2, Educational, dated 12th September 1912 calling upon me to explain the necessity for the employment of a gardener in the School of Commerce, Calicut, I have the honour to state that the new school occupies an important position in the Tank Square, Calicut, and that it would be unseemly to leave its compound untended, where as a well-kept front garden will add appreciably to the amenities of the town.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

Under Art: 98(m) Civil Account Code
 the incurring of all recurring contingent
 charges ^(ordinarily) requires the sanction of Govt..

The misapprehension referred to by the
 D.P.I. in the current letter is apparently that
 the Headmaster thought that he could
 incur recurring contingent charges without
 such sanction.

It may be added that the "Tank Square" referred to by the S.P.S. is the neighbourhood of the "Mananchira" tank by the side of which the Municipality is maintaining a fine garden. The School of Commerce is situated opposite to the garden and the tank.

It is for consideration whether the disposal suggested by Financial should be accepted. The D.P.I. definitely says that "it would be unseemly to leave it compounded" "intended." Apparently the School has a large compound. It does not appear that beyond this there can generally be found any other ground ~~for~~ to justify the employment of a gardener. The school ~~has~~ employs three persons; and none of them could apparently look after the garden. The main ground of objection of the Financial Department seems to be that the sanctioning of the employment of a gardener in this case would form an incon-

precedent. ^{But} gardeners would only be needed in cases with large compounds. The ~~total~~ annual cost in the present case is only Rs 66; and it would be a pity if by stinting this expenditure a well kept garden should be turned into a jungle for want of a caretaker.

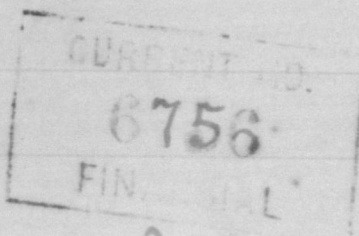

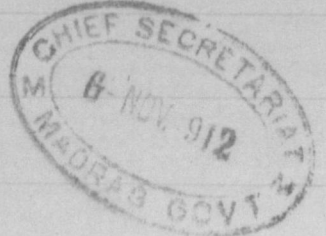

CA 20/10/12 Educational cannot, I think, agree to the disposal suggested by Financial. The location of the school & the inevitable comparison between the school compound & the adjacent municipal garden indicate the expedience of employing a gardener to keep the school compound in proper order. The case must be circulated to H.E. the Governor. LD. 8-11-12
