The tenure of office of the Dyeing expert (Mr. Harrow) ~~will~~ expires on the 25th March 1913 and the Govt^y of India have been ^{recently} addressed as regards his retention for another period of three years from that date. If this is sanctioned his office establishment will also have to be retained for the same period.

In the meanwhile if it is decided that a dyeing section should be opened in the Technical Institute at Madras a separate establishment ^{something like} that proposed by Mr. Chatterton when he submitted his proposals for the reorganization of the Madras Technical Institute, may perhaps have to be sanctioned in

in which case the temporary establishment
 (V) sanctioned in G.O. No 28 Est. dated 16th Jan^y 1912 may be dispensed with earlier. Dr Harnden's report ~~on~~ as regards the necessity for the opening of dyeing classes in the Madras Institute has been received along with the report of the Sup^t of Industrial Education on the several points raised in connection with the scheme for the reorganization of the Institute approved (P) in G.O. No 647 Est. dated 18th July 1912. The temporary establishment already sanctioned for the Dyeing Expert may therefore be retained ^(for the present) till final orders are passed on the question of opening a dyeing section in the Technical Institute at Madras.

Establishment of the Leather Expert.

The leather expert has been employed for a period of three years from 1st September 1911 and his engagement will expire on the 31st August 1914. In passing orders on the proposals for the establishment of a leather trade school at Madras the Gov^t have sanctioned the establishment required for the school which includes a clerk on Rs 25- and three watchmen one on Rs 8 and two on Rs 7 each. If this ~~is~~ establishment is ~~can~~ entertained there may not be any necessity for the retention of the temporary

No 25-Bol dated 16th Jan 1912 will perhaps have to be retained for so long as the expert is employed. It is not known whether ~~the~~ any portion of the establishment sanctioned for the school has actually been employed. The school has not yet been opened; the question as to where it should be located has not yet been settled. The D.P.I. may, it is submitted, be requested to state whether any portion of the establishment sanctioned for the school has now been actually employed under Mr Guthrie and if the clerk sanctioned for the school has ^{already been} employed whether it will ~~be~~ ^{be} necessary to retain the person.
