~~Sanctioned~~ In these cases P. W. Sanctioning has been completed. Some others are also likely to be sanctioned in the course of this and the next month.

Under Rule 53 (iv) of the grant aid Code advances may be made from to time out of the sanctioned grant provided that the D. P. I. is satisfied that the work is proceeding satisfactorily. In connection with the proposals for the utilization of the Imperial grant for hostels, the D. P. I. ~~has~~ recommended that ^{full} payments might be made immediately, while binding the mauaggers, at the same time to carry out the

suggestions of Govt. in regard to plans & estimates. The Financial Department objected to the deviation from the grant-in-aid Code proposed. His Excellency Sir Murray Hammick was, however, strongly of opinion that the requirements of the grant-in-aid Code ^(in the report) should be relaxed to enable ~~the~~ a rapid progress in expenditure. The ~~dira~~ proposals were generally approved with the ^{only} reservation that each case should be separately submitted to Govt. for consideration & that the grant paid only after order of Govt. had been passed.

It will thus be seen that in the case of ~~boarded~~ grants for the construction of hostels, (which are debitable to the ^{specific} assignments for hostels) the grants are payable in advance after the orders had been passed by Govt. Of the cases noted on page 1 ^{supra}, grants in Dept of (2) + (5) can, if the D.P. so chooses, be paid now. The provision for hostels in the current year's budget is now only Rs. 96,000, the other ~~old~~ amounts having been temporarily reappropriated for ~~building~~ subsidies for school building.

I think we may agree, on the understanding that "budget provision" means the revised & existing provision as it stands after the ^{immediate} reappropriations or other adjustments have been made & on the 3 conditions mentioned by Mr Davidson being fulfilled.
