G.O. Nos. 1089-90, Educational, dated 9th December 1912.

ABSTRACT.—Approving the proposals of the Director of Public Instruction to open five half-time schools for the education of factory children.

II

Letter—from the Hon'ble Sir A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 3rd January 1913.

No.—Ref. on Cur. 10121 of 1912.

With reference to G.O. No. 1089, Educational, dated 9th December 1912, I have the honour to propose the distribution of subsidies amounting to Rs. 992 to the following municipalities for expenditure on account of the education of factory children:—

Name of municipality	Amount required for equipment.	Cost of maintenance for one month during 1912-1913.	Total.
1. Ellore	Rs. 100	Rs. 28	Rs. 128
2. Coimbatore	250	111	361
3. Madurai	250	125	375
4. Tinnevely	100	24	124
Total	700	292	992

2. The above subsidies may be met from the extra grant of Rs. 25,000 sanctioned in G.O. No. 1075, Educational, dated 6th December 1912.

3. I may add that this proposal absorbs Rs. 3,504 in future years as recurring expenditure and I am taking the necessary precaution in regard to this.

Order—No. 159, Educational, dated 19th February 1913.

The Government sanction the payment to the following municipalities of the subsidies specified for the purpose of opening new schools for the education of factory children from 1st June 1913:—

	Equipment.	Maintenance charges for nine months.
Ellore—one school	Rs. 100	Rs. 252
Coimbatore—two schools	250	990
Madurai—one school	250	1,125
Tinnevely—one school	100	252

NOTES CONNECTED WITH G.O. No. 159, EDUCATIONAL,
DATED 19TH FEBRUARY 1913.

[SUBJECT.—Subsidies to municipalities to open schools for the education of factory children.]

From the Director of Public Instruction, dated 3rd January 1913,
No. 10121/12.

A draft order sanctioning the payment of the subsidies is submitted for approval. If approved, it may be sent to Financial and Local and Municipal for acceptance. This charge has already been accepted by Financial. Out of the Imperial grant of Rs. 25,000 for the current year, the Director of Public Instruction has proposed to re-appropriate a sum of Rs. 2,200 for the construction of buildings for Agency schools in the Ganjam district; and it has been separately suggested that the additional subsidies, required for meeting the cost of increased staff for new schools, opened with Imperial grants, may be met from the grant of Rs. 25,000.

C. RAMANUJACHARI—10-1-13.

Local and Municipal accept.

L. DAVIDSON—14-1-13.

To the Financial Department.

FINANCIAL DEPARTMENT.

It is proposed to sanction subsidies to certain municipalities for the opening of schools for the education of factory children. The expenditure in 1912-13 will be Rs. 992 and that in 1913-14 will be Rs. 3,504. Against the Imperial grant of 8.25 * lakhs per annum for the promotion of education, the expenditure in the current year is about 8.70 lakhs and that for 1913-14 will be about 10.29 lakhs.

2. The Director of Public Instruction will have to be requested to forward a re-appropriation statement showing how he proposes to meet the charge in 1912-13.

3 For 1913-14, a provision of Rs. 3,504 will have to be entered in the budget under 22 I. EDUCATION—MISCELLANEOUS—Contributions to Municipal funds. Draft telephonic message to the Accountant-General submitted for approval.

4. The case may, it is submitted, be returned to Educational after the despatch of the telephonic message.

V. GOPALAKRISHNAN—23-1-13.

Issue and then submit to Chief Secretary.

C. REILLY—24-1-13.

A. G. CARPENT—27-1-13.

Telephonic message—from C. REILLY, Esq., Registrar, Chief Secretariat (Financial Department).
To—the Accountant-General, Madras.
Dated—the 24th January 1913.

Orders are about to issue sanctioning subsidies amounting to Rs. 992 in 1912-13 and to Rs. 3,504 in 1913-14 to certain municipalities for expenditure on account of the education of factory children. Please include these figures in the second edition of the Civil Budget Estimate under the head "22 I. EDUCATION—MISCELLANEOUS—Contributions to Municipal funds".

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Financial have in this case also objected to the utilization of the additional Imperial grant of Rs. 25,000 in the *current* year. The other file, viz., that relating to the construction of elementary school buildings in the Agency tracts, in which a similar objection was taken by Financial, has been referred to the Director of Public Instruction today for remarks on this point. It is for consideration (i) whether the decision in that case should be awaited, or (ii) whether the present order may issue with alteration in paragraph 2 to suit the suggestion in Financial in paragraph 2 of their note overleaf. They have already arranged for the provision in 1913-14. The question is only about the allotment for the current year.

C. RAMANUJACHARI—30-1-13.

x = number of months schools should be open.

$$700 + 292(x-1) = 3,504.$$

$$\therefore 292x = 3,096.$$

$$\therefore x = 10 \text{ months}$$

and schools may open in June.

L. DAVIDSON.

In this case the simplest plan will be to defer any grant until April or such later date as will make Rs. 3,504 sufficient to cover both equipment and maintenance for the remainder of 1913-14.

L. DAVIDSON—3-2-13.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

If the Government consider that as much has been done as is justifiable in the way of new developments during the current year the opening of these schools for factory children must be deferred.

A. G. BOURNE—6-2-13.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Apparently the Director of Public Instruction is not able to point out any source for meeting the charge in the *current* year and does not object to the opening of the schools only in 1913-14. Even in 1913-14, the schools cannot be started from the beginning of the year, as the provision of Rs. 3,504 entered in the budget by Financial does not provide for a whole year's charge after meeting the amount required for equipment. The Director does not press for their opening from the 1st April and does not therefore propose means to meet the balance for a whole year. In the circumstances, the schools may begin work from 1st June 1913 as proposed by the Secretary. In that case, the total amount required is Rs. 3,328. The draft has been altered in pencil accordingly.

C. RAMANUJACHARI—9-2-13.

Ink the draft in and send to Financial re-typed for acceptance before issue.

L. DAVIDSON—10-2-13.

The draft may, it is submitted, be accepted in Financial.
