Hon'ble Sir,

Copy of letter from the District Judge of Kistna to the Registrar, High Court, Madras, No. 85, dated 2nd January 1913.

In forwarding herewith an application submitted to me by one Varre Soobarayudu, a military pensioner and now 7th clerk on Rs. 20 of the District Munsif's Court of Ellore, praying for exemption from the operation of the Examination Rules for his being appointed to posts carrying a pay of less than Rs. 50/-, I have the honour to state that the conduct and work of the applicant being very highly spoken of by the District Munsif in his letter (copy enclosed) the applicant seems to me to be a fit person for exemption, and therefore to request that you will be good enough to obtain the sanction of Government exempting him from passing the examinations referred to in Article I of the Public Service Notification revised up to 31st March 1912, so that he may, when opportunity occurs, be appointed to posts below Rs. 40/- in this Department, for which no pass in Special Tests is required. Men of this type are badly required in this department as they are possessed of methodical habits and are capable of exacting work - they would be specially useful to control Process Establishments.

To

The District Judge,
Kistna.

The District Munsif,
Ellore.

Most Honoured Sir,

I humbly beg to submit that I joined the Military Department as a Sepoy on Rs 7/- in 1884 when I was reading in the Middle School class. While in the Military Department I applied for the 3rd class certificate of education to qualify myself for a Havildars place and secured the same. I was appointed a Havildar on Rs 16/- To qualify myself for being entrusted with the clerical duties in the office and the school master's place in the Regiment, I studied and applied for a 2nd class certificate of education and also secured the same. For a very long period I was entrusted with the duties of a Teacher in the Regimental School and clerk in the Military Department office, until I was appointed as an officer.

The officers under whom I was serving finding my work to be satisfactory secured for me the place of Havildar Major in the selection they had to make of one out of 41 Havildars in the whole Regiment.

Subsequently I was appointed as a commissioned officer on Rs 50/--. When I was aspiring for higher promotions in the Military Department, to my great disappointment, the Regiment to which I belonged was disbanded and I was obliged to retire on 15-5-1902 on a pension of Rs 15/- per mensem. The pension granted to me not being sufficient to maintain myself and my family, I was obliged to seek for employment again immediately. I entered the Salt Department within 4 months after retirement and acted there as

a clerk and Sub Inspector for some years. From the Salt Department I was taken to the Judicial Department permanent ly, as Amin on Rs 15/- and promoted to a clerk's place and I am now holding a clerk's place on Rs 20/- in the District Munsif's Court, ^{at} ~~Ellore~~. Ever since I joined the Judicial Department I have been discharging clerical duties. I am conversant with the several branches of office work in the Judicial Department and can with ease read, write and understand the English and Telugu languages sufficiently well to discharge the duties of a clerk. I am now --- getting only Rs 15/- as pension and Rs 20/- as pay and I feel it a very great hardship to maintain myself and family with the above income in these hard famine days.

unemployed for 2 years
What
I have to educate my four sons whose ages range between 13 to 2 years, and this item takes away a major portion of my earnings. Though I have been giving satisfaction in the discharge of my duties to the officers under whom I have been serving and though they are inclined to help me, the examination rules as per public service notifications now in force are coming in their way to help me.

As I was retired prematurely, not for any fault of mine, as I was drawing a pay of Rs 50/- at the time of my retirement, and as I have been discharging the duties entrusted to me to the satisfaction of my superiors, I most humbly pray your honor will be graciously pleased to forward this, my application, to their Lordships the Honorable Judges of the High Court of judicature at Madras with your honour's kind recommendation to get me exempted by the Government, as a Special case, from the operation of the examination rules for my being appointed to posts carrying a pay of less than Rs 50/- per mensem i.e. my permanent pay in the Military Department when I was made to retire, to enable me to secure some promotion when opportunities occur. I am a sudra by caste I have put

I am now aged 46 years and am sufficiently strong both physically and mentally to discharge the duties that may be required of me as a clerk or --- executive officer.

I beg to enclose copies of a few of the testimonials granted to me and the copy of the order appointing me as Commissioned Officer for favour of perusal.

I beg to remain,

clerk of my Court, I have the honour to state that the ap-
plicant has been discharging his duties very efficiently. -
Taking into consideration his thorough honesty and his ardent
love to discharge his duty at any cost, I am confident he -
will prove himself capable of holding any responsible clerical
post to which he may be appointed in a Munsif's Court. It was
not his fault that he failed to qualify himself for higher posts
in Government service in the Civil Department, as he was ex-
pecting to be kept on in the Military Department. He deserves
to be exempted from the examination rules as his practical -
knowledge of the office work, is in a par with any qualified
clerk. His literary knowledge also is more than what is or-
dinarily met with in qualified people."
