G.O. No. 175, 24th February 1913.

Government technical examination.

Approving the revised syllabuses of the — in tailoring submitted by the Director of Public Instruction.

GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble SIR ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E.,
Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 8th February 1913.

No.—Ref. on Cur. 3091/12.

In continuation of my letter C. No. 3091, dated 12th April 1912, read in G.O. Mis. No. 451, Educational, dated 23rd May 1912, I have the honour to submit a typed copy of the enclosed revised syllabuses drawn up by the committee appointed to revise the existing syllabuses for the Government technical examinations in tailoring together with a copy of the committee's letter, dated 30th September 1912, addressed to the Secretary to the Commissioner for Government Examinations and to request the sanction of Government for their substitution for the existing ones.

2. Mr. Tressler, whom I have consulted as to the suitability of the revised syllabuses, speaks of them as being of an "eminently practical character" and calculated to "meet practical requirements excellently" and I myself have no doubt that the draft revised syllabuses in tailoring are a great improvement on the existing ones.

3. Before drawing up these syllabuses Captain Phillips, the Chairman of the Committee, inspected, with reference to G.Os. Mis. No. 451, Educational, dated 23rd May 1912 and Mis. No. 735, Educational, dated 10th August 1912, a few of the typical institutions suggested by me in which tailoring is taught, while Mr. Nadel, the other member of the committee, has based his opinion on the points noted by the chairman during his inspection.

ENCLOSURE.

Letter—from Captain PHILLIPS, Chairman, and Mr. M. Nadel, Member, of the committee appointed to revise the syllabuses in tailoring.

To—the Secretary to the Commissioner for Government Examinations, Madras.

Dated—Madras, the 30th September 1912.

With reference to instructions contained in your letter No. 932, dated 26th March 1912, we have the honour to submit a revised syllabus for tailoring, which should in the opinion of the committee be in three grades, viz., Elementary, Intermediate and Advanced, with three subjects in each grade, i.e., trousers, body garments and cutting. It is also suggested that candidates for tailoring should only have a practical examination, while those for the subject "Cutting" (Advanced) be required to sit for written and practical examinations.

Order—No. 175, Educational, dated 24th February 1913.

The revised syllabuses in tailoring submitted by the Director of Public Instruction are approved and will be published in the *Fort St. George Gazette*.
