GOVERNMENT OF MADRAS.

I have the honour to submit the enclosed plans and estimates for improvements to the hostels attached to the Voorhees' College, Vellore, and to recommend that a grant of Rs. 1,745 which is the total expenditure proposed may be sanctioned as a special case in view of the fact that the management is unable to make any contribution towards it.

II

Note by the Chief Engineer, Public Works Department, No. 1011-C., dated 1st February 1913.

The Director of Public Instruction submits through the Educational Department for sanction, estimates amounting to Rs. 1,745 the particulars of which are given below and three plans for improvements to the hostels attached to the Voorhees' College, Vellore :—

	RS.
(1) Latrine of twenty seats for the Christian hostel	760
(2) Latrine of ten seats for the Hindu hostel	445
(3) Bath rooms including pipe laying for the Hindu hostel	510
(4) Preparing plans and estimates	30
Total	1,745

2. The plans and estimates have been scrutinised in the Chief Engineer's office and the following alterations have been made :—

Note by the Chief Engineer, Public Works Department, dated 1st February 1913.

The plans and estimates have been scrutinized in the Chief Engineer's office and the remarks thereon are embodied in the Chief Engineer's note read above. With this note, the file may be returned to Educational.

EDUCATIONAL DEPARTMENT.

The Director of Public Instruction recommends that as the management is not able to make a contribution towards the cost of the improvements, the Government may sanction a grant of the total amount of the estimate. For orders whether this recommendation should be accepted. A draft order sanctioning the full amount is placed below.

S.K.—6-2-13.

Submitted that no recent precedents can be traced in which the grant of the full cost was sanctioned. The reason for the special treatment proposed is that the management is unable to make the contribution. The College authorities have separately applied for a half grant of Rs. 11,250 for providing additional accommodation in the college. The plans and estimates relating to this case are under scrutiny in the Public Works Department. The amount involved in the present case is only Rs. 1,780 and the management may be asked to meet half the cost, viz., Rs. 890, the balance alone being sanctioned as grant. No specific reasons seem to exist in the present case for overriding the code.

C. RAMANUJA CHARI—10-2-13.

This "special case" will recur I fear, if the order on this file creates the precedent. Perhaps the Director of Public Instruction can indicate some stronger ground for exceptional treatment.

L. DAVIDSON—11-2-13.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

U.O. No. 51, dated 15th February 1913.

The fact that the Mission is spending Rs. 5,640 on enlarging its class room and laboratory accommodation gives colour to their statement that they cannot find at present any funds for the improvement of their hostels. In addressing Government on the subject of the special grants for hostels the Director indicated that he **A** proposed to ask for grants even in cases where the management was not able to contribute anything. In most cases the sum asked for on these terms is a considerable one and consideration of them has been postponed to that of schemes in which the management is able to contribute.

2. The giving of this grant free of contribution would not affect the scheme for hostel building before Government now or in this office to some of which managers have undertaken to contribute and to others not, and I do not think it would seriously influence future applicants.

B 3. I believe that if the whole grant is refused the Mission will not be able to carry out the sanitary improvements they think necessary.

J. H. STONE—14-2-13.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The only ground* for special treatment is at **B** in Mr. Stone's note *supra*.

* The original application from the management has not been submitted to Government.

Though similar reasons may be put forward by several other institutions, Mr. Stone says that this would not "seriously influence future applicants." It is for consideration whether this deviation from the Code may be sanctioned.

2. As regards the statement at **A** in Mr. Stone's note, it is submitted that in the official letter to Government in the matter—paragraph 2 of his letter No. 2935, dated 21st August 1912—the

Director clearly stated that "most of these are institutions where the management is prepared to devote an equal amount."

Perhaps by implication, the word "most" may be taken to have indicated the existence of cases where the management was unable to contribute. Attention is, however, invited to paragraph 5 of the Secretary's note on page 7 of the notes with the Government Order in which it was stated that there were four such cases—only two of these, viz., the missionary institutions at Palameottai and Pasumalai, might if at all, come for special treatment.

Yes: certainly.

L. DAVIDSON.

ever, invited to paragraph 5 of the Secretary's note on page 7 of the notes with the Government Order in which it was stated that there were four such cases—only two of these, viz., the missionary institutions at Palameottai and Pasumalai, might if at all, come for special treatment.

† Pashaiyappa's has public subscriptions and Government grant is only for half.

Victoria College, Palghat, is not an institution under private management and is therefore outside the code.

C. RAMANUJA CHARU—18-2-13.

It is the case, as Mr. Stone points out, that the proposals generally approved in G.O. No. 1004, Educational, dated 14th November 1912, did contemplate grants in some cases without corresponding contributions from the management. This is one

such and the amount in issue is less than Rs. 1,800. If we call it a "special case," the bogey of "precedent" is not likely to cause trouble. I have amended the draft accordingly and it may go to Financial for acceptance.
