The Old College,
Madras, 17th January 1913.

My dear Davidson,

Duncan, Principal of the Teachers' College,
Allen, Professor of History, Presidency College, and
Jones, Professor of Physics, Presidency College, are
applying for furlough in extension of the vacation,
i.e., from about the 1st July.

Sp. 32 Q
9-13

We have already asked for a substitute for
Allen and Littlehales must act for Jones, because of
the Meteorological work, and Ross might suitably act
for Duncan.

Bourne suggests that India might be asked
whether there are any temporary men in other Provinces
whose term expires about July 1st who would be suit-
able for the posts of Inspector of Schools or Vice-
Principal of the Teachers' College.

Yours sincerely,

Just tone

To
The Hon'ble Mr. Lionel Davidson, B.A.,
I.C.S., C.S.I.,
Ag. Secretary to Government, Edl. Deptt.,

Applications for leave from Messrs Jones and Duncan have been received and are submitted separately with draft orders sanctioning the leave applied for. Mr. Jones takes leave for five months and Mr. Duncan for seven months and seven days, both in continuation of the ensuing summer vacation of their Colleges. The summer vacation of the Pres. College begins about the 4th April next and Mr. Littlehales who is to act for Mr. Jones and who is now acting as Inspector of Schools in Malabar will have to go to Madras before that date to take charge of Mr. Jones's work as Meteorologist. In that case an officer will be required to act as Inspector of Schools VIII Circle from the 4th April 1913 & not from the 1st July 1913 as stated by Mr. Stone. The D.P.I. may be asked to state ~~whether~~ from what date an officer will have to be appointed to act in the vacancy caused by the leave granted to Mr. Jones.

2. A draft letter to India enquiring whether any temporary officers will be available to act for Messrs Jones & Duncan is submitted for approval. As one of the officers is required to fill the post of vice-principal of the Teachers' college, a brief statement of the particulars required by the Govt of India

The Vice Principalship is a post in the Indian Educational Service to which fee granters are attached. The man holding it should be a thorough specialist in Education. He should have, if possible, by experience in Secondary Training Course work and should at least hold a degree or diploma in Education or a degree in Arts.

2. Mr Jones' leave should begin after the vacation that is from 28th June. He wishes to have it in combination with the vacation. While he is consequently cannot join in his duties till that date. A substitute will have to be appointed for the Observatory for the vacation period. On a previous occasion ^{C.D. Ross} ~~W. H. H. H.~~ of the Christian College was appointed on the full pay of the appointment i.e. Rs 300. An inspector is therefore only wanted from 28th June.

An addition has been made to the draft letter to India on the lines of para 1 of Mr. Stone's note.

2. Mr Stone now states that Mr. Little-hailes could join in Madras only after the vacation and that for the vacation period a substitute will have to be appointed for the Observatory - with reference to this modification of the original proposal, the file regarding Mr. Jones's leave may again be sent to the Rev. Dept. -

Has this Education Service an adequate leave

[go no 187, 188. & 28.2.13]

The letter to India has issued.

2. Neither the Indian nor the Provincial
Educational Service has any leave reserve.
The number of appointments in the cadre of
the Indian Edncl. Service is 30 and the
number of officers is also the same. vide
list on pages 195 to 199 of the Civil list for
the ^{last} quarter ~~ending 31.12.12~~ connected up to
1st January 1913. Similarly the number of
appointments in the Cadre of the Prov. Edl.-Service
and the number of officers belonging thereto is 41.
- vide pages 202 to 205 of the Civil list above
referred to.

But in the case of both these services acting men can be recruited from the services lower to them, i.e. for temporary vacancies in the Indian E^t. Service, officers from the Prob^t service could be appointed, and for vacancies in the latter service, officers from the subordinate E^t. service. The former arrangements have been specially authorized by the Resolution of the Govt. of India - para. 8 22.7.96 on page 9 of G.O. No. 479. E^t, dated 10th August 1896. Apparently, these obviate the need for any special reserve for leave.

In connection with the reorganization of the Prob^t E^t. Service, however, this Govt. suggested to the Govt. of India the addition of two posts to the strength of that service to provide for leave or probation. Please see para. 14 of letter to India No. 578, dated 8th October 1910. No such proposal has been made in connection with the Indian E^t. Service.

Thanks.

The application of the same arrangement to the Prob^t Service might well I think be considered.
