R.O.C. No. 9040/12.

Where does the foot-note under rule 46 come from?

L. DAVIDSON—2-1-13.

The original form of rule 46 of the rules of the College of Engineering was as printed on page 8 of G.O. No. 451, Educational, dated 8th July 1911; and it had a foot-note. When the revised rule approved in G.O. No. 556, Educational, dated 24th

June 1912, was published, the foot-note was not published along with the rule, as there was no alteration in the foot-note.

It would have been better if the foot-note had also been published then. In submitting the present revised draft rule, the Director of Public Instruction has put in the foot-note also with the rule apparently with the idea of publishing it with the rule though even now there is no change in the foot-note. Submitted that the foot-note also may be published.
