Sir,

With reference to the correspondence ending with G.O.No. 434 Misc., Educational Department, dated 4th July 1911, I have the honour to enquire whether the question of compensation to the University of Madras for the pecuniary loss it has sustained by accepting the Secondary School Leaving Certificate as qualifying for entrance into the University course has been finally settled so far as the Madras Presidency is concerned. The Diwan of Cochin has asked for this information as the Registrar of Madras University has presented to the a claim for compensation for the loss of income in accepting the Secondary School Leaving Certificate of the State for entrance to the University course.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Graham

2. The compensation payable annually ~~to be~~ fixed, as a final settlement, with reference to the average rate of profit to the University, on account of the Matriculation examination and the ^{(average} number of candidates registered during the ~~year~~ ^{from} quinquennium 1904 to 1909 (excluding the ^{abnormal} year 1908 in which there was a reexamination). From the amount thus determined was deducted a rebate representing the profits derived by the University in 1911 on account of the Matriculation examination.
