READ—the following papers :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 17th October 1912.

No.—Ref. on Cur. 7367.

The Government Agent, Ganjam, reports that buildings have to be constructed for the elementary schools at Gumma, Ojjaigada, Namanagaram and Pothara at a total cost of Rs. 2,200 and accordingly requests me to spare funds for the purpose. I have the honour to state that the sum of Rs. 3,100 provided for "petty construction and repairs" for elementary schools for boys in the current year's budget has already been distributed among the agents for the schools in the agency tracts of Ganjam, Vizagapatam and Godavari and that there is no separate provision in the budget to meet the charge.

I have the honour, therefore, to request that Government may be pleased to sanction a sum of Rs. 2,200 towards the construction of the buildings in question from the Imperial grant for the elementary education of boys.

II

Memorandum No. 2854-1, Educational, dated 7th November 1912.

With reference to his letter R.O.C. No. 7367, dated 17th October 1912, requesting Government to provide funds for the construction of certain elementary school buildings in the agency tracts of Ganjam the Director of Public Instruction is informed that the Imperial grants for elementary education have already been fully appropriated to or earmarked for specific objects and that the amount required for the construction of the buildings in question therefore cannot be met from those grants. He is requested to state whether he can provide the amount by reappropriation from other sources.

No. 1075, Educational, dated 6th December 1912.

2. The Agent to the Governor in Ganjam has sent in a reminder on the subject and states that the school buildings at Ojjaigada, Namanagaram, Gumma and Pothara are very badly in need of repairs.

Memorandum No. 3475-3, Educational, dated 11th February 1913.

With reference to his letter No. 7367, dated 21st December 1912, the Director of Public Instruction is informed that the total expenditure provided in the revised estimate for the current year debitable to the Imperial grants is already in excess of the aggregate of those grants including the sum of Rs. 25,000 referred to in G.O. No. 1075, Educational, dated 6th December 1912. The Director of Public Instruction is accordingly requested to specify some other source from which the amount of Rs. 2,200 required for the elementary school buildings in the agency tracts of Ganjam can be met.

NOTES CONNECTED WITH G.O. No. 227, EDUCATIONAL,
DATED 17TH MARCH 1913.[SUBJECT.—Amount required for the construction of elementary school buildings
in the Agency Tracts of Ganjam.]*From the Director of Public Instruction, dated 17th October 1912,
R.O.C. No. 7367.*

The Director of Public Instruction requests that a sum of Rs. 2,200 may be sanctioned from the Imperial grant for the elementary education of boys towards the construction of certain elementary school buildings in the Ganjam Agency. The Imperial grant* has already been appropriated to specified objects and the amount now required by the Director of Public Instruction cannot be met from that source. The Director of Public Instruction may, it is submitted, be requested to state whether he can meet the amount by reappropriation from other sources. If he is not able to provide funds, the Financial Department may be requested to provide the amount. A draft memorandum to the Director of Public Instruction is placed below for approval.

[Memorandum No. 2854-1, dated 7th November 1912.]

*From the Director of Public Instruction, dated 21st December 1912,
R.O.C. No. 7367.*

The Director of Public Instruction says that the sum of Rs. 2,200 required for the construction of elementary school buildings in the Ganjam Agency can be met from the additional recurring grant of Rs. 25,000 sanctioned by the Government of India. His proposals for the utilization of the whole of this grant have not yet been received. In the meanwhile, it is submitted that there is no objection to accepting the Director of Public Instruction's present proposal that a portion of this grant, viz., Rs. 2,200, may be spent in the construction of elementary school buildings, as the Government of India have stated that the grant, though recurring, can be spent on capital objects during the current year, if so required. A draft order is submitted for approval. It may be sent to the Financial and the Judicial Department for acceptance.

FINANCIAL DEPARTMENT.

Against the recurring grant of 8-25 lakhs for the promotion of education given by the Government of India, the total expenditure in the current year will amount to about 8-66 lakhs. The expenditure now in question, viz., Rs. 2,200 towards the construction of buildings for elementary schools at four places in the Ganjam Agency cannot consequently be met from the grant of 8-25 lakhs.

It is submitted that the Director of Public Instruction will have to be asked to suggest other sources from which the expenditure (Rs. 2,200) can be met.

EDUCATIONAL DEPARTMENT.

It is submitted that if the position taken by Financial is accepted, there should be no more separate proposals for the utilization of the Imperial grant in the current year; and G.O. No. 1075, Educational, dated 6th December 1912, calling upon the Director of Public Instruction to submit the proposals should be withdrawn. It is no doubt true that when sanctioning the sum of Rs. 39,000 for payment of additional recurring subsidies to local boards, the

grant of Rs. 25,000 was taken into account. It is for consideration whether any further reference should be made to the Director of Public Instruction on the question of funds. A draft memorandum is submitted for approval.

C. RAMANUJACHARI—29-1-13.

The case had better go to the Director of Public Instruction u.o. I am not quite certain that the proposition put forward is correct. Were not the items aggregating to 8-66 sanctioned irrespective of this additional subsidy of 0-25 lakh. If so, it seems to me hardly equitable now to say in effect "As India has offered another Rs. 25,000, Provincial need not spend so much and will take back that sum."

L. DAVIDSON—30-1-13.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

When the proposed memorandum reaches me I will suggest another source. It seems that there will be exactly Rs. 2,200 still available out of the allotment for the secondary girls' school at Vizagapatam.

So far as I can see at present we shall be solvent without the Rs. 25,000 provided that we do not embark upon any further developments.

A. G. BOURNE—7-2-13.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The total amount of 8-66 lakhs for expenditure in the current year includes '39 for payment of additional subsidies to local boards. As already stated, in sanctioning this amount the additional Imperial grant of Rs. 25,000 was taken into account; but the other items constituting the balance of 8-66 were passed irrespective of that grant.

2. As the Director of Public Instruction, however, says that we can get on even without the '25, the point whether it is equitable to take credit for the grant need not, it is submitted, be pressed.

3. The Director is able to point out another source to meet the sum of Rs. 2,200 required for the agency schools, but expects to receive an official call in the matter. The draft memorandum is now for approval.

From the Director of Public Instruction, dated 15th February 1913,
R.O.C. No. 7367/12.

The Director of Public Instruction states that the amount required for the construction of elementary school buildings in the Ganjam Agency can be met from the allotment sanctioned for the secondary school for girls, Vizagapatam. It is from the same source that the additional amount required for subsidies to local bodies to meet the cost of raising the pay of elementary teachers has been met. The Director of Public Instruction's proposal may be accepted and the file may be sent to the Financial Department for acceptance of the draft order already approved by the Secretary.

FINANCIAL DEPARTMENT.

The Director of Public Instruction proposes to meet the sum of Rs. 2,200 required for the construction of elementary school buildings in the Ganjam Agency from savings in the allotment of Rs. 11,000 sanctioned for the secondary schools for girls in Vizagapatam. The reappropriation has to be sanctioned in this department. Submitted that this may be done on receipt of the Educational Department proceedings on the case.

The Director of Public Instruction's letters, dated 17th October 1912, 21st December 1912 and 15th February 1913, have not come through the Accountant-General as required by paragraphs 197 and 208 of the Madras Treasury Manual.
