(Through the Accountant - General).

Sir,

It was part of the proposals for the reorganization of the Presidency Training School for Mistresses which were approved by Government in G. O. No. 476, dated 15th July 1911, that the Tamil Section of that school should be removed from Egmore and should be provided with a model school by the taking over by Government of some suitable private institution. Negotiations to take over the Mylapore Hindu Girls' School were carried on by the Inspectress, but Government were not satisfied with the conditions proposed by the management of that school and the matter dropped.

Miss Lynch now proposes to take over the

Maharajah's Girls' School, Triplicane, and to transfer the Tamil Training Section there. The Maharajah's School is managed by a committee and has, at present, a strength of 243 girls in standards Infant to Fifth and 10 teachers of whom five are professionally qualified: but none have general education certificates higher than the Lower Secondary Grade. It is held in a very unsuitable rented house which it is, at present, under notice to quit. It owns a plot of building ground well ^{suited} ~~suited~~ for school purposes in Triplicane and there is an endowment attached to it for the teaching of Sanskrit. The committee are willing to hand over the school to Government with all its property including the building site on the sole condition that provision is made for teaching Sanskrit, and I have the honour to recommend that their offer be accepted.

Y
The arrangement of details will take some little time since the property has to be transferred and the manner in which Sanskrit teaching shall be provided has to be settled. Meanwhile, the school is in need of a habitation. The Tamil Section at Egmore is similarly under notice to quit the rented house in which it is now being held, and it is reported that no other house can be had and that a temporary shed will have to be put up for it in the compound of the Presidency Training School for Mistresses.

There is in Triplicane a large dwelling house recently erected by Diwan Bahadur Ramaswami Naidu, late treasurer of the Maharajah's school. This gentleman has recently died and his heirs are desirous of letting his house. Mr. Stone visited it in company with the Inspectress and agrees with her in thinking it eminently suitable

for temporary occupation by the school and the Tamil Training Section since it is excellently situated in Big Street, very commodious and in good order.

I propose, therefore, to ask the Inspectress to assume, with as little delay as possible, the management of the Maharajah's Girls' School and to transfer it and the Tamil Section of the Presidency Training School for Mistresses to the house in question. My first purpose in addressing Government now is to request the sanction of Government to the payment of the rent asked. This is for a monthly tenancy, Rs. 145/- or for a tenancy on a three years' agreement, Rs. 130/-. What I propose to do is to take the house to begin with on a monthly tenancy with option of entering into a three years' agreement when the details of the transfer of the school have been settled.

In the course of three years it may be hoped that a new building will be erected on the site mentioned above. I am convinced that the terms are reasonable and the Inspectress has asked the Executive Engineer to furnish the usual certificate and the sanction may be made contingent on this being done.

2. My second object in writing is to provide for the interim payment of the teachers to be taken over with the school. The Inspectress does not propose to retain all of these permanently. She wishes to raise the school to the Secondary Grade and I support her in this idea and in the hope that funds will be available next year. I propose to submit detailed proposals to this end without delay and in these proposals the ultimate disposal of the Maharajah's Girls' School staff will have a place.

Meanwhile,

See further
communication
below

memo. no. 253-1
1-2-13

Meanwhile, from the date of taking over of the school to the end of the official year these teachers will have to be paid and I, therefore, request you to be good enough to sanction the addition of the following temporary posts to the Tamil Training Section, Presidency Training School for Mistresses :

		Rs.
Headmistress	...	20/-
1st Assistant	...	11/-
2nd Assistant	...	10/-
3rd Assistant	...	11/-
4th Assistant	...	11/-
5th Assistant	...	10/-
6th Assistant	...	8/-
7th Assistant	...	7/-
8th Assistant	...	7/-

I ask for this inclusive sanction to avoid necessity for further reference; but I shall request the Inspectress to employ only those teachers who are found to be necessary. She anticipates and I think justifiably that the taking over of the school and its removal to the new house will result in a considerable ~~wasat~~ and immediate increase of strength.

3. I submit herewith the necessary re-appropriation statement for meeting the additional cost for a month during the current year.

I have the honour to be,

No 60504/12, dated 31-1-13+72-1913

SUBJECT.

Removal of the Tamil training section
of the Presidency Training School for mistresses
to Triplicane

The D.P.O. requests sanction -

- (1) to rent a house at a cost not exceeding Rs 145 p.m. and
 - (2) to employ certain temporary establishment -
- vide pages 3 & 4 of current file.

No orders are at present required on the question of taking over the Maharaja of Vizianagram's Girls' School at Triplicane as the details connected with the transfer of the school have not been settled. If the school is taken over, its cost during 1913-14 will be met from the allotment of Rs 15,000 in the budget for the establishment of a Secondary School for girls in Madras.

T. - vide item (c) in Memo. no. 253-I Ed 8, 1-2-13.

2. Both the proposals are within the sanctioning powers of this Dept, but as the re-appropriation submitted by the D.P.O. requires the sanction of the Financial Dept, the draft placed below may issue with the concurrence of the Financial Dept.

There seems to be no objection to approve

But the Govt should generally approve of the proposal. The school is to be taken over at once. Rough details of the establishment of the school under post. Management also to be settled later on.

the proposal of the D.P. I to take over the
Triplicane girls school. Negotiations to take
the Mysapore school having failed, the D.P.
warin sp. no 363- Ed. of 29-4-12 asked to take
steps to have the Tamil training section re-
moved to some other part of Madras. The Finance
Committee have ~~also~~ recommended the
opening of a central girls school (either in
Triplicane or Mount Road) and a sum of
Rs. 15,000 has been allotted for the purpose.
The D.P.'s present proposal covers both
these suggestions. The idea of taking over the
Triplicane school was once before suggested
to Govt. in 1908; and the Director ~~then~~ stated
that there could be no complaint against adopting
the course. The only stipulation^{now} imposed
by the managers in respect of the transfer
viz: provision for teaching Sanskrit, is ac-
cepted by the Director. Submitted that the
proposal may be approved, and details
awaited.

2. Item (i). The proposal to transfer the Tamil Training Section of the Presidency Training School for Mistresses, Egmore to some other part of Madras has already been accepted. The Finance Committee of 1913 has recommended the opening of a Secondary School for girls

in Madras, and a provision of Rs 15,000 (renewing) has been made in the B.E. for 1913-14 for the purpose at the recommendation of the Finance Committee. The two objects will be attained by the ~~D.P.I.~~ present proposals of the D.P.I. which may, it is sub^d, be therefore accepted. ~~The~~ Detailed proposals in regard to the terms of purchase of the building site, and apparatus etc., if any, will be submitted by the D.P.I. later on.

3. Item (ii). The Maharaja's Girls' School above referred to has no building of its own, and the Tamil Training section is now located in a rented building at Egmore. The proposal to rent a house in Triplicane for the Combined School may, it is sub^d, be accepted.

4. Item (iii). In connection with the ~~reorganisation~~ reorganisation of the Training Schools for Mistresses a separate staff for the practising section to be attached to the Tamil Training Section has been sanctioned. Apparently these posts have not yet been filled,

and will be filled only when the private school above referred to is organised into a Government school. The proposal to employ a temporary staff in the meanwhile may be accepted, but the Educational Dept. maybe requested to fix definitely a period for which it is to be employed.

5. A para: has also to be added to the draft that the cost on account of the temporary establl. and the rent of the building will be met from the ^{unexp.} provision of Rs 15,000 in the B.E. for 1913-14 on acct. of a Govt. Secondary School for Girls in Madras.

6. The draft may, it is sub^d be accepted, subject to the remarks in paras: 4 + 5 ante.

of the Financial note above, it will be observed that the B.P.S. requires sanction for the employment of the temporary establishment "from the date of taking over of the school to the end of the official year", that is to the end of the current official year. If the school were taken over from the 1st March 13, the period of employment of the temporary establishment would be only a month. It would perhaps be better to sanction the employment of the temporary establishment for a period of three months from the 1st March 1913-14, the words "for a period of three months" be inserted before the words "from the 1st March 1913". The actual date of taking over of the school is not known.

2. with ref. to the remark in para-5 of the Financial note, a second para has been added to the draft. If these alterations are approved, the G.O. may issue.
