To The Secretary to the Government of Madras,

Sd,

Copy of memorial to the Secretary of State from the Members of
the Indian Educational Service in the Madras Presidency.

To

The Most Honourable the Marquess of Crewe,
His Majesty's Secretary of State for India.

The humble petition of

Respectfully sheweth,

That your petitioner is a member of the Indian Educational
Service.

That it has been stated, on apparently good authority, that
the Government of Bengal intends to appoint, as successor to
Mr. Kuchler, some one from outside the Indian Educational Service.

That in 1906, when Mr. Marle, a member of the Indian Civil
Service, was appointed Director of Public Instruction, a protest
was made by members of the Indian Educational Service, and
because of the acute dissatisfaction roused the Secretary of
State was pleased to make the following ruling:--

The Secretary of State desires that appointments to the
Directorship should no longer be governed by the rules laid down
in the Resolution of 1896, but by those prescribed in the Home
Department Resolution of September 4th, 1896. The latter Resolu-
tion, while not giving members of the Educational Service an
absolute claim to succeed to the post of Director, contemplated
that before appointing a person not belonging to the service
Local Governments should, in the event of their considering it
desirable to fill the post otherwise than from the local educa-
tional staff, seek the assistance of the Government of India with a view to procuring a suitable selection
from the educational department of some other province.

Chap

Secretary of State also considers it desirable that in order to provide a properly qualified successor in the event of a vacancy arising in the Directorship measures should be taken in good time to give the officer on whom the choice would most probably fall a wide experience of the working of the department in all its branches.

That the Secretary of State was pleased to modify, in accordance with this ruling, that section of the India Office List which deals with the pay and prospects of the Indian Educational Service, and which is issued to applicants for appointments in that service.

That the Indian Educational Service contains more than 150 members, most of whom are of very high academical distinction, and a considerable number of whom have had much experience in administrative work.

That an appointment to the post of Director of Public Instruction from outside the ranks of the Indian Educational Service would be a serious reflection on the capacity of the whole service throughout India, and notwithstanding the Secretary of State's ruling on this point, would establish a precedent for recruiting the Head of the Department from outside the service.

In these circumstances your petitioner prays that Your Lordship will be pleased to uphold the standing orders on the subject (for a departure from them would be a slur on the capacity of the present members of the service and would injuriously affect future recruitment).

And your petitioner, as in duty bound, will ever pray.

SUBJECT

Memorials from members of the Indian Educational Service.

The D.P. I. submits memorials from ^{members} ~~Indian~~ officers of the Indian Educational Service, addressed to the Secy of State for India in which they protest against the ~~offer~~ proposed appointment of an outsider as the Director of Public Instruction of Bengal in succession to Mr. Kiechler. The subject matter of the memorials is not one connected with this Presidency; still it does not appear that the memorials can be withheld by this Govt under the A. memorial rules. It therefore seems necessary to forward them and a draft despatch to the Secy of State is submitted for approval. /
