Thro'

The Proper Channel.

The humble Memorial of S. A. Ahamed Husain Sahib,
2nd Clerk in the Sub Registrar's Office Dherpulcheri.

Most humbly Showeth:--

That with due respect and submission the Memorialist begs to submit that he is a Mohamedan and a permanent resident of Valluvanad Taluq; that both Memorialist and his younger brother Sheikh Moinudheen (abKasi) 2nd Clerk in the Walluvanad Taluq Office) studied in the Walluvanad Lower Secondary School and passed the said Examination; that as their father died while they -- were young the Memorialist and his brother were not fortunate enough to obtain a liberal education, as there were none to pay for their schooling; and that therefore Memorialist and his brother discontinued their study and sought some posts in the Walluvanad Taluq Office but as the Examination Rules were in --- strict force that only passed Candidates could be --- appointed to posts carrying Rs.15/- and upwards, Memorialist and his brother were only given some acting appointments.

2. That the Memorialist further respectfully

3

-p-

u

respectfully submits that on examining his father's records it has been found that all his father and his ancestors had rendered valuable and efficient services to the British Government and a certificate granted by the then Tahsildar Magistrate of Walluvanad in 1867 testifying to the above meritorious services was also discovered; that with the copy of that testimonial the Memorialist and brother applied to the ---- Special Assistant Collector of Malapuram (Mr. A. R. L. Tottenham) and he recommended Memorialist and his --- brother for exemption from the operation of examination rules; and that accordingly Memorialist and --- brother were exempted from examination up to Rs.20/- Vide. Go. No.740 of 5-12-'02, and consequently they were entertained as Clerks in the Taluq Office.

p 16 c7

(B)

3. That in order that Memorialist and his brother might also obtain higher appointments in Public Service as their ancestors, the same Divisional ---- Officer again took the trouble of recommending them to Government for permitting them to appear for --- Special Test Examinations and the Government was --- pleased to accord sanction for their appearing for Revenue Test, Account Test and Translation Test in the years 1904 and 1905; that therefore the Memorialist and his brother procured all necessary books and exerted themselves in preparing for the Examinations; and that though they appeared for the Examinations with full hopes yet they unfortunately failed as the question papers were very stiff and extremely difficult. That now a days candidates are allowed to refer to their books when answering papers but it was

was not practicable then and hence cause of this failure; and that afterwards Memorialist entered the Registration Department.

4. That the Memorialist again respectfully begs to state that according to recent Government orders unpassed persons, who are just able to read and write Malayalam, are permitted to be appointed on Rs.20/- in any Department and thus many unpassed and unqualified individuals are holding appointments of Rs.20/- at this very moment; that in addition it -- was also found that several persons in other Departments who are literally unpassed and who do not know a word of English, have been exempted and given posts on Rs.50/- and above; and that such being the case the Memorialist humbly thinks that he and his brother are rightly entitled to get the above G. O. issued in their case favourably modified and altered, and therefore the Memorialist most fervently prays that the concession prayed for in this petition may be granted to them.

5. That the Memorialist again begs to add that soon after this Malabar District was rescued from the hands of Tippu Sultan, British Government appointed a Supervisor for the District and under him Memorialist's great grand-father (3rd grand-father) -- Sirdar Bahadur Sheik Muhamed Sirdar was appointed --- Sirdar of Ernad Taluq; that at that time the Taluq was full of robbers and rioters who were all suppressed and put down by him as best as he could and --- while performing these arduous duties, he and his ---

his younger brother were brutally stabbed and murdered by robbers from Pandikkad; that then that appointment was conferred upon his son (Memorialist's 2nd grand-father) Muhamed Sahib, who continued in that appointment of Sirdar for a long time; and that because he also exerted and quelled the rebellions he obtained very many honours and distinctions from Government for his meritorious services and died, and that his son and successor Sheik Minuddeen (Memorialist's 1st grand-father) having been of unound mind could not be employed in the service of Government. That it may also be mentioned here that Memorialist's ~~elder~~ brother Muhamed Ghouse was appointed Sub Registrar in 1895 but he died suddenly after --- having been in service only for a short time.

6. That in this connection the Memorialist begs to submit that when their father became of age he was appointed Taluq Duffader and as such he had to go with several European and Native Officers to places of Mopla out-breaks which were too numerous and -- frequent in the Ernad and Walluvanad Taluqs then, ^{and} had done excellent and noteworthy services, and this was mentioned in the certificate granted by the Tahsildar Magistrate in 1867) that similarly in 1894 some 36 Moplas proceeded from Pandikad and went to several places and committed hubbubs for a week and at last they were shot and killed at Pallikurup temple in Mannarghat; that in order to molest and prevent those rioters Memorialist's maternal uncle Rahimansha --- Pattani went with many men and did the needful at --- Pallikurup and that the then Collector and District

6
-a-
District Magistrate Mr. Bradley, gave a certificate to their uncle for his having rendered efficient and valuable service to the state. That the copies of those two certificates were attached with our Memorial of 1902 submitted thro' the Divisional Officer Malapuram and they will be seen among the records in the Government Office. *they are not*

7. That the Memorialist again respectfully submits that both he and his brother ~~were~~^{are} fly petty clerks at present because ~~as~~^{and} simply because they have not passed any higher examinations, and both of them ~~are~~^{are} fully conversant with the works of all branches of thier respective Departments ~~and~~ they can discharge those duties without mistake or complaint; ~~and~~ that from the circumstances mentioned in paras supra the Memorialist and his brother have a right to claim at the hands of the benign Government that they may be exempted from passing higher ~~examinations~~^{ex} and be given better appointments suited to their --- capacities.

8. That Memorialist for himself begs to state that he has the capacity and capability to discharge all the functions of a Sub Registrar without any complaint whatever; and that as regards his younger brother Mohinuddeen he respectfully states that as he is working in the Revenue Department it may be brought to the notice of Government thro' that Department.

9. In these circumstances the Memorialist most

see

most humbly and fervently prays Your Excellency-in-Council will, in kind consideration of the meritorious and efficient services rendered by his ancestors even at the risk of their lives ^{and} sympathising with the backward condition in which he is placed, be generously pleased to exempt him from all the examinations required for a Sub-Registrar.

For which act of benevolent justice the Memorialist shall, as in duty bound, Ever Pray,

No. 538 A, Est.

Submitted together with copy of the Government orders referred to in the petition which have been obtained from the petitioner.

2. The petitioner is now a clerk in the sub-registry office at Palghat on a pay of Rs. 17½. He has only passed the Lower Secondary Examination. He entered the department on the 6th July 1905 and has thus a service of 7½ years to his credit. He has made no attempt to pass the departmental test, and, although he is reported to be a good copyist, he cannot be said to possess the capacity or the capability to discharge all the functions of a Sub-Registrar. Should he pass the Departmental Test, I would be prepared to try him as a Temporary Joint Sub-Registrar.

Madras,

Insp. Genl. of Regn.

X This is, however, not quite in agreement with the Sub-registry endorsement on p. 804

The Ld. Secy. has sanctioned temporary exemption for one year from the Dept. Test. (Art. 63, p. 10 of the Act of 1912) (5)

C. No. 673 From the Dy. of Registrars No 538 dated 27.2.1913.

SUBJECT.

Exemption of S.A. Ahmed Hussain Sahib from the examination qualifications prescribed for the post of sub-registrar.

The Dy. of Registrars does not ~~recommend~~ recommend the exemption of the candidate. The exemption may therefore be refused. A draft order is submitted for approval. It may be sent to the Judicial Dept for acceptance.

The memorialist was exempted from the examination rules in 1902 so as to enable him to hold posts carrying salaries not exceeding Rs 20 p.m in the Malabar district. The Collector of Malabar who recommended the exemption observed that "the loyalty of the family in the past is a factor to be taken into consideration" On the recommendation of the same collector, the petition was granted permission in 1904 to appear for the Revenue, Accounts and Translation tests, lower grade, at the examinations held in 1904 & 1905. That he deserves special treatment, seems, therefore, clear.

2. Last year, one. Kunhimarakkhan, an ^{unposted} ~~unposted~~ Mohpila clerk in the Registration department was, on his memorializing Govt., ordered to be appointed as sub-registrar on probation for six months against the Dy's recommendation. [He has been, since, appointed Sub-registrar VII grade. Spl. with effect from the 15th November 1912]. He was reported by the Dy not to have passed the departmental tests in Act & rules and also not to have sufficient knowledge of English. He had, however, a service of 27 years in the dept., was a clerk on Rs 25 (half of the 1st clerk in a mohpila S.R.O) and had acted as a sub-registrar

on more than one occasion. The present petitioner draws Rs 17½ and has a service of only 7½ years. The Eg is prepared to try him as a temporary joint sub-registrar in the event of his passing the departmental tests in Acts & rules.

He is presumably not old and there is nothing to show that he is incapable of passing the tests.

On the contrary, the Sub-registrar's endorsement on the memorial ~~also~~ indicates that he is acquainting himself with the departmental orders on Registration and Stamp laws and is almost sure to succeed in the departmental examination if he only exerts himself. All that, therefore, seems necessary is to add a para to the draft order asking the Eg to communicate ^(if he has not already done so) to the petitioner his willingness to try him as a temporary sub-registrar should he only pass the tests in Acts and rules. This would afford a stimulus to the memorialist to work hard and pass the tests. For orders.
