Sir,

With reference to the Resolution of the Government of India Nos. 731 - 743, dated 1st September 1908, communicated to me with G.O. No. 666 Educational, dated 19th September 1908, I have the honour to submit the enclosed application from M. Krishna Menon for the Government of India Scholarship for the study of Sanskrit available for award during the current year. He was an applicant for the scholarship last year (please see my letter R.C. No. 623 of 12, dated 18th March 1912) but was not recommended by me. He has renewed his application this year. Although the Superintendent of Sanskrit Schools recommends him this year, he remarks of him and other graduates who were applicants last year that they had not been quite in touch with Sanskrit studies, since graduating, and that all the essays written by them were poor both as regards

language and subject matter. The most he can say of the present applicant is that he was the best of the graduate applicants of last year. The applicant does not appear to have made any systematic study of Sanskrit since he left College and wants the Scholarship with a view to qualifying for some Sanskrit teaching post. I regret that I am not able to recommend him, as I do not think that he is the kind of applicant contemplated in the offer of the scholarship. No other application for the scholarship has been received this year. In these circumstances I have no nominations to submit for the Scholarship to be awarded this year.

I have the honour to be,
