The present strength of the school is reported to be 83 in five standards as shewn in the margin, and a further increase is expected owing to the location of the school in ^{the} a new building recently constructed for it. The Inspector considers the

present staff of three teachers on Rs. 12/-, 10/- and 10/- to be inadequate under Rule 81 of the Madras Educational Rules and

recommends the temporary employment of an additional teacher on Rs. 15/- per mensem partly in view of the strength of the school and partly to provide instruction in Tamil to the children of the Tamil speaking Muhammadans living in the locality who are weavers by profession.

2. I shall submit the necessary re-appropriation statement on receipt of the final issue of the Civil Budget Estimates for 1913-1914.

Under rule 81 of the Madras Educational Rules a school with 76-100 pupils in five standards may have four teachers. The strength of the Mirsahibpet school is 8 and it has ^(at present) only three teachers on its staff. The additional teacher now applied for may be sanctioned. The scale of pay (Rs 15) is the same as that adopted for similar schools at Chepauk and Mahfuz Khan's Garden. There are already two teachers on Rs 10 and it may not be desirable to add the third on the same pay.
2. A draft order is submitted for approval. If approved it may be forwarded to F.O. for acceptance.

~~It is recommended that the draft order be approved and forwarded to F.O. for acceptance.~~

Financial department

It is proposed to sanction the ^(for one year) employment of a fourth teacher on Rs 15 in the Govt. Muhammadan Elementary Boys' School, Mirshahpet Madras. Under the Educational rules this school which has a strength of 83 students distributed in 5 standards, is entitled to a fourth teacher.

The Educational department, however, proposes to fix a pay of Rs 10 to this addl teacher, on the analogy of similar schools at Chepauk and Mahfuz Khan's gardens. But these two schools have each more than 100 students on the rolls and a staff of 5 teachers. On the other hand, the Mysapore and Chetty's garden schools which had a strength of 88 and 100 students respectively distributed in 5 classes in each case, got a fourth teacher on Rs 10 only. Under the Circumstances it is submitted that the pay of the proposed fourth teacher also may be fixed at Rs 10.

2. With regard to the extra charge involved during 1913-14, the A. G. may

The Muhammadan elementary school, Mirsabitpet, has at present three teachers on Rs 12, 10 & 10. The S.D.O. applies for an additional teacher on Rs 15. The Finl depts. admits the necessity for an additional teacher but observes that his pay should be fixed at Rs 10 and quotes as a precedent the cases of the mylapore and Chetti's garden schools sanctioned in G.O. 393 Sdly 3-7-09. It may not be out of place here to point out that it is now nearly four years since that G.O. has issued and that in the course of that ~~short~~ period innumerable changes have taken place in the field of education, not the least important one of which being improvement in the pay and prospects of teachers. The probability therefore is that sooner or later the question of the revision of the scale sanctioned in that G.O. will come up before Govt. In the circumstances, it does not appear that the precedent quoted by Financials can be regarded as a safe guide in the decision of the present case.

2. As regards the merits of the case, ~~under~~ ⁱⁿ rule 82 of the Madras Educational Rules in which a standard scale of salaries is recommended by Govt. for adoption in elementary schools under public management it is laid down that a school containing four teachers should have a scale of Rs 15, 12, 10 & 8. Under G.O. 605 Sdly,

The Director is already engaged in drawing up a ~~scale~~ scheme of reorganization.
Ch. 11/13

K. 16th September 1907 the minimum pay of Muhammada teachers is Rs 10. So that if the additional teacher now asked for is sanctioned the scale under the rules should be Rs 15, 12, 10 & 10. The Director has not asked for anything more ~~more~~ than what the rules have already prescribed. To refuse to sanction his ^(inasmuch as like this) proposal without any strong reason would ^{not} seem to be ~~desirable~~ ^{desirable}.

The fact that the appointment is only temporary for a year in the present does not seem to alter the case very much especially in view of the ~~general~~ ^{paucity of qualified teachers} and generally ~~more~~ ^{stronger} reasons than those already advanced to accompany Muhammadis.

~~if financial had rejected the proposal on the grounds that funds did not permit the payment of Rs 15 to the proposed teacher in the absence of any other reasons than those already advanced to accompany Muhammadis its decision would seem to require reconsideration.~~

3. Again, it ^{may not be} ~~is~~ desirable to add to the existing number of low paid teachers in the school ~~to do without the school to show any future prospects and to conduct with the out come of it.~~ On a staff of four teachers the headmaster, if he is to exercise any effective supervision over his assistants or on the school as a whole, must ^{(there doesn't he some approval before he gets in pay. That} be a person of some status ^{among Muhammadis}. Such a person can be secured for anything less than Rs 15 is very doubtful. Rs 15 for a suitable trained teacher cannot be regarded as too high.

4. It is submitted that the Financial dept^y may, in the circumstances explained above, be requested to reconsider its decision.

[The file has not in the first instance been seen by any other officer than the Registrar]

Educational cannot assent to the proposal to advance the pay from Rs. 10 to Rs. 10. The office ^{note} correctly points out that the remuneration of teachers is on a very different footing in 1913 to what it was in 1909. The ~~very~~ fact that the appointment is temporary constitutes an additional reason for offering more than Rs. 10.

The case must go to H.E. & Enquiry ^{unless} Finl. can be made.
